The Rescue Mission: Special Forces #2 Karina Bliss,1900 Award winning author Karina Bliss offers a sisters twin swap story encompassing marriage drama family conflicts and wounded warrior angst where love in all its many forms wins out in the end Playing with dynamite a guy could get burned Given his aversion to love and marriage Ross Coltrane an elite soldier and demolitions expert has no idea how he ended up playing middleman to his kid brother and the estranged wife More terrifying is suddenly noticing how sexy his sister in law is He s never been attracted to his brother s wife that way before But he s always had a spark with her twin Turns out the identical sisters have pulled a swap and duped everyone around them Furious much About to rain down retribution Ross hesitates Something about Vivienne Jansen s gutsiness and misplaced do gooding gets to him Except he s not a guy who has feelings Enemies become lovers Vivienne Jansen s creative solutions work well as an international costume designer not so well as her family s black sheep But she s going to save the day if only her brother s best friend will move his disapproving Alpha ness out of the way Chaos theory has always been her modus operandi but falling for the enemy a guy whose friends call him Iceman could be the most dangerous thing she s ever done Bliss might be my favorite contemporary romance author Funny earnest characters falling in love This has kind of a madcap pace to it but I loved the vivacious Vivien and the wounded soldier Ross Perfect pairing Jane Litte Dear Author Well drawn characters and a fun story make for a lively read And the attraction between Viv and Ross sparks Romantic Times The Special Forces series The Soldier s Wedding The Rescue Mission Bring Him Home A Prior Engagement

The 1920 Edition of the Book of Mormon Richard L. Saunders,2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal body or rather bodies existing in space

and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not **Whitaker's Five-year Cumulative Book List** ,1953

Saint Augustine's Anti-Pelagian Works Philip Schaff,2017-10-23 Where traditional Christianity has always affirmed that sin can only be atoned by the sacrifice of Christ the theory that the human will is able to earn salvation of its own accord was the basis of Pelagian thought Augustine in this series of works fought vehemently against such ways of thinking because he wanted to make people realize that Christ is the one and only way to find true salvation
