**The Šabdan Baatır Codex**, 2012-11-23 In The abdan Baatır Codex Daniel Prior

presents the first complete edition translation and interpretation of a unique manuscript of early twentieth century Kirghiz poetry which includes detailed accounts of nineteenth century warfare Dedicated to the chief abdan Baat r the Codex occupies an illuminating position in a network of oral and written genres that encompassed epic poetry and genealogy panegyric and steppe oral historiography that echoed oral performance and aspired to print publishing The Codex s fresh articulation of concepts of Kirghiz self identification was incipiently national yet remained couched in traditional forms The Codex thus bridges the interval often glossed over in cultural histories between a supposedly archaic state of oral epic tradition and the afterlife of epics in modern ethno nationalist projects

Jews in the Realm of the Sultans Yaron Ben-Naeh,2008 Jewish society in the Ottoman Empire has not been the subject of systematic research The seventeenth century is the main object of this study since it was a formative era For Ottoman Jews the Ottoman century constituted an era of gradual acculturation to changing reality parallel to the changing character of the Ottoman state Continuous changes and developments shaped anew the character of this Jewry the core of what would later become known as Sephardi Jewry Yaron Ben Naeh draws from primary and secondary Hebrew Ottoman and European sources the image of Jewish society in the Ottoman Empire In the chapters he leads the reader from the overall urban framework to individual aspects Beginning with the physical environment he moves on to discuss their relationships with the majority society followed by a description and analysis of the congregation its organization and structure and from there to the character of Ottoman Jewish society and its nuclear cell the family Special emphasis is placed throughout the work on the interaction with Muslim society and the resulting acculturation that affected all aspects and all levels of Jewish life in the Empire In this the author challenges the widespread view that sees this community as being stagnant and self segregated as well as the accepted concept of a traditional Jewish society under Islam

The Essential Tawfiq Al-Hakim Denys Johnson-Davies,2013 The importance of Tawfiq al Hakim 1898 to 1989 to the emergence of a modern Arabic literature is second only to that of Naguib Mahfouz If the latter put the novel among the genres of writing that are now an accepted part of literary production in the Arab world today Tawfiq al Hakim is recognized as the undisputed creator of a literature of the theater In this volume Tawfiq al Hakim s fame as a playwright is given prominence Of the more than seventy plays he wrote The Sultan s Dilemma dealing with a historical subject in an appealingly light hearted manner is perhaps the best known it appears in the extended edition of Norton s World Masterpieces and was broadcast on the old Home Service of the BBC The other full length play included here The Tree Climber is one that reveals al Hakim s openness to outside influences in this case the absurdist mode of writing Of the two one act plays in this collection The Donkey Market shows his deftness at turning a traditional folk tale into a hilarious stage comedy Tawfiq al Hakim produced several of the earliest examples of the

The Mamluk Sultanate represents an extremely interesting case study to examine social economic and cultural developments in the transition into the rapidly changing modern world On the one hand it is the heir of a political and military tradition that goes back hundreds of years and brought this to a high pitch that enabled astounding victories over serious external threats On the other hand as time went on it was increasingly confronted with modern problems that would necessitate fundamental changes in its structure and content The Mamluk period was one of great religious and social change and in many ways the modern demographic map was established at this time This volume shows that the situation of the Mamluk Sultanate was far from that of decadence and until the end it was a vibrant society although not without tensions and increasing problems that did its best to adapt and compete in a rapidly changing world **Islamic Jihad**
