The College Buzz Book ,2006-03-23 In this new edition Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions as well as the schools responses to the comments Each 4 to 5 page entry is composed of insider comments from students and alumni as well as the schools responses to the comments **The College Buzz Book** Carolyn C. Wise,Stephanie Hauser,2007-03-26 Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like Vault and none of these guides provides the rich detail that Vault s new guide does Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni Through these narratives Vault provides applicants with detailed balanced perspectives **Joseph Conrad--comparative Essays** Adam Gillon,1994 This collection of essays continues Adam Gillon s comparatist approach to Joseph Conrad which he exhibited in three previous books The Eternal Solitary A Study of Joseph Conrad 1960 and 1964 Conrad and Shakespeare and Other Essays 1976 and Joseph Conrad Tawyne English Authors Series 1982 In the present collection Gillon extends his perspectives by examining the affinities between Conrad s descriptive art and painting and film Gillon presents a variety of new views and insights as he traces the connections between Conrad and such writers as Henry James and Vladimir Nabokov and compares Conradian characters Prince Roman and Peer Ivanovitch Gillon s Polish background looms large in this collection His mastery of the Polish language is apparent in the discussion of two Polish novels about Conrad s early life and in his translation of excerpts from these novels The first and last chapters offer moving glimpses of Gillon s own Polish footprints his initiation into Conrad lore and the visit to his native land after a long absence The intimacy and wry humor of these recollections are evident also in his essay about adapting Conrad to film which is illustrated with excerpts from his scripts Under Western Eyes and Dark Country his screenplay inspired by Heart of Darkness and Conradian themes A native of Poland Adam Gillon is professor emeritus of English and comparative literature at the State University of New York New Paltz He has lectured at universities in Canada Israel and Europe His numerous publications include critical studies of Conrad fiction poetry translations articles and reviews He has written award winning plays for screen stage and radio He wrote directed and produced a feature film The Bet Gillon is president of the Joseph Conrad Society of America and founder and senior editor of its newsletter Joseph Conrad Today Raymond Brebach is an associate professor of humanities at Drexel University He is a contributing editor for the Cambridge Edition of the Works of Joseph Conrad and he edits Joseph Conrad Today the newsletter of the Joseph Conrad Society of America He has written on the collaboration of Joseph Conrad and Ford Madox Ford Essays on Gianni Vattimo Matthew Harris,2016-05-11 What has postmodernism got to do with Christianity To what extent can a nihilist derive an ethic from the history of a religion Can a western approach to secularisation be applied to Islam These questions are central to this collection of essays from 2011

2015 by Matthew Edward Harris The essays are grouped around the interrelated themes of religion ethics and the history of ideas and constitute a critically constructive approach to the subject matter Harris defends Vattimo against some of his more strident critics but nevertheless poses questions of his own Along with a new introduction outlining Vattimo's life thought and ideas and a conclusion which looks at how developments in Vattimo's views on religion have wider implications for his weak thought the volume includes nine essays on Vattimo's thought Harris overall argument is that Vattimo is overly reliant upon history and that there is a contradiction within his style of weak thought which is against definitive pronouncements yet excludes outright anything that does not pertain to the history of linguistic messages *Bergson and Freedom* Brian Macallan,2024-12-13 This book provides the first full length treatment of the nature and function of freedom within the work of Henri Bergson It does so while also introducing Bergson's key ideas and major works It explores Bergson through the lens of freedom while at the same time showing how Bergson's work might engage with current challenges It does this by examining the four major works of Bergson highlighting how freedom can be conceived in each text and how Bergson addresses key freedom problematics in those works It offers a definition of freedom in Bergson as the creation of the new within the flow of duration What emerges is that freedom remains crucial for Bergson beyond the obvious treatment of freedom directly in Time and Free Will Free will memory evolution religion and morality are major themes for Bergson Moreover there are particular freedom problematics concerning each of those themes that illustrate the central importance of freedom in Bergson These include determinism dualism materialism mechanism finalism and the notion of the open and closed Doing Time Rita Felski,2000-09 In Doing Time Rita Felski argues that it makes little sense to think of the modern and postmodern as antithetical ideas Rather we need a historical perspective attentive to the leaky boundaries between different times as well as the many cultural and political differences within a single time *Midlife Private Parts* Dina Alvarez,Dina Aronson,2025-06-24 One of Zibby's Most Anticipated Books of 2025 *Midlife Private Parts* is a soulful and revealing collection of essays that explore the many facets of this transformative time in life Each story sheds light with humanity and good humor on what it really feels like to move through the world as a midlife woman and beyond Whether it's sexual pleasure midlife reinvention menopause friendship redefining style at a certain age dating after divorce feeling invisible or simply being in the last place you ever thought you'd be you'll feel seen in these essays that acknowledge the changes and challenges but capture the power freedom and confidence that comes with age Told through the eyes of contemporary women writers authors and creatives each shares a story of coming to terms with aging and confronting the unexpected moments that define midlife In their candid personal narratives you will find connection validation promise and inspiration If you are craving community *Midlife Private Parts* will be akin to a safe haven where you will feel seen heard and understood A place where women are empowered to age boldly and unapologetically Presidential Temples Benjamin Hufbauer,2005 This book explores the visual and material cultures of presidential commemoration memorials and

monuments libraries and archives and the problematic ways in which presidents themselves have largely taken over their own commemoration The author sees these various commemorative sites as playing a key role in the construction of our collective political and cultural self images and as another sign of our preoccupation with celebrity culture Ultimately he contends these presidential temples reflect not only our civil religion but also the extraordinary expansion of executive authority and presidential self commemoration since FDR

Carnival and Literature in Early Modern England Jennifer C. Vaught,2016-04-08 Carnival and Literature in Early Modern England explores the elite and popular festive materials appropriated by authors during the English Renaissance in a wide range of dramatic and non dramatic texts Although historical records of rural urban and courtly seasonal customs in early modern England exist only in fragmentary form Jennifer Vaught traces the sustained impact of festivals and rituals on the plays and poetry of sixteenth and seventeenth century English writers She focuses on the diverse ways in which Shakespeare Spenser Marlowe Dekker Jonson Milton and Herrick incorporated the carnivalesque in their works Further she demonstrates how these early modern texts were used and misused by later writers performers and inventors of spectacles notably Mardi Gras krewes organizing parades in the American Deep South The works featured here often highlight violent conflicts between individuals of different ranks ethnicities and religions which the author argues reflect the social realities of the time These Renaissance writers responded to republican egalitarian notions of liberty for the populace with radical support ambivalence or conservative opposition Ultimately the vital folkloric dimension of these plays and poems challenges the notion that canonical works by Shakespeare

is hope that this work will help generate a dialogue especially with colleagues who live in the regions that were analyzed. Many of the authors consider the commemorations discussed in this volume from very different points of view as they themselves are strongly rooted in a historical context that remains much closer to the nationalism we critique. **Joseph Conrad Today**, 1989. *The State of Sovereignty* Douglas Howland, Luise S. White, 2009. *The State of Sovereignty* examines how it came to pass that the nation state became the prevailing form of governance in the world today. Spanning the 19th and 20th centuries and addressing colonization and decolonization around the globe, these essays argue that sovereignty is a set of historically contingent practices and not something that accrues naturally to states. The contributors explore the different ways in which sovereign political forms have been defined and have defined themselves, placing recent debates about nations and national identity within a broader history of sovereignty, territory and legality.
