Knifery Robert Clemente,2006-01-02 A knife from an established manufacturer is a well designed and quality built product that will serve you for many years if you use it properly and take care of it There is a certain sense of pride in owning a knife and with that ownership comes responsibility to yourself and to others Your knife is a tool to help you and to do work for you Do not see it as a toy or a weapon to hurt others Like any other tool you must take care of it so when you need a job done the knife will be ready to work for you There are many things that a knife can do and many things a knife can not do Understanding how to properly use take care of and store your knife will help you to appreciate its design function and use Whether you are on a short camping trip working in the backyard or on a survival hike knowing how to properly use your knife will help you get the most from it

Knives, Knife Fighting, and Related Hassles Marc MacYoung,2019-02-21 If you wonder what you can learn about knife use on the streets from a book written thirty years ago the answer is a lot more than you can from a traditional martial art from another culture What you ll face is far more complex than the drills you

practice in the martial arts school Knives Knife Fighting and Related Hassles fills in those gaps The author approaches the subject from a street perspective and writes about the problems you ll face over knives from both sides of the law Have you ever been attacked with knives Stood on a street corner handcuffed while the police look for a reason to make an arrest for the knife you were carrying This was a very real part of the author s life This book will open your eyes to the realities of knives that you ll never hear in the academy but will keep you out of prison or the cemetery *Fighting Knives* Frederick John Stephens,1980
