Model answer

STOP PRESS: opportunity to work abroad for three months!

Why not take advantage of our work abroad programme? The company is happy to announce we are offering employees the opportunity to work abroad for three months in one of our international offices, including Mexico City, Vancouver and Shanghai. The aim of the programme is to encourage effective collaboration and build trust between our international offices. The temporary job positions on offer are at different times during the year, summer or winter, and your accommodation will be paid for by the company. Please note that successful applicants will be staying with a host family in order to help you adapt to the country and learn the local language. Let us know if you wish to participate in our 'work exchange' programme. We appreciate you are likely to have concerns about working abroad or your choice of location. The HR department is happy to answer any questions you may have. Click on the link below to find out more. Please don't hesitate to contact us for more information.

3

Option c is the best option. Don't hesitate to contact us or click on the link below to find out more about this exciting programme. This is because it invites the reader to do one of two things: contact the company or click on the link for more information. This is called 'a call to action' - what you want the reader to do. Option a doesn't tell the reader how to contact the company. Option b only tells the reader to click on the link but doesn't explain why, so the reader may or may not click on the link.
