

Lord's Prayer Sunday School Lesson

Matthew 6:5-13

1. This story tells us how to pray. It is important for us to pray, because it is the way we talk to God. We can talk to God in many ways. We can talk to God in our hearts. We can talk to God in our words. We can talk to God in our actions. We can talk to God in our thoughts. We can talk to God in our feelings. We can talk to God in our dreams. We can talk to God in our imagination. We can talk to God in our creativity. We can talk to God in our art. We can talk to God in our music. We can talk to God in our dance. We can talk to God in our play. We can talk to God in our work. We can talk to God in our study. We can talk to God in our rest. We can talk to God in our joy. We can talk to God in our sorrow. We can talk to God in our hope. We can talk to God in our faith. We can talk to God in our love. We can talk to God in our kindness. We can talk to God in our generosity. We can talk to God in our honesty. We can talk to God in our integrity. We can talk to God in our courage. We can talk to God in our strength. We can talk to God in our wisdom. We can talk to God in our understanding. We can talk to God in our knowledge. We can talk to God in our experience. We can talk to God in our observation. We can talk to God in our reflection. We can talk to God in our contemplation. We can talk to God in our meditation. We can talk to God in our prayer.

The Lord's Prayer Communicating with God

Objective: To help children understand the importance of prayer and the Lord's Prayer as a model for communicating with God.

Materials: Bible, paper, glue, scissors, craft supplies (optional).

Procedure:

1. Explain the importance of communicating with God.
2. Read the Lord's Prayer aloud to the children.
3. Discuss the meaning of the Lord's Prayer.
4. Have the children write their own prayer.
5. Have the children share their prayers with the class.

Application (20 minutes)

Divide the class into small groups and assign each group a portion of the Lord's Prayer. Have them discuss the meaning of each phrase and how they can apply it to their lives. Have them share their thoughts with the class.

 <p>"Thy Kingdom come"</p> <p>Children can be encouraged to pray for the coming of God's Kingdom in their lives and in the world.</p>	 <p>"Thy will be done"</p> <p>Children can be encouraged to pray for God's will to be done in their lives and in the world.</p>	 <p>"Give us this day our daily bread"</p> <p>Children can be encouraged to pray for their daily needs to be met.</p>

views on economic issues held by less vocal Christians are also grounded in deeply held religious beliefs. For these grass roots Christians, Hart writes, faith lays the foundation for views that range from staunchly conservative to radical. Hart paints a rich portrait of how everyday Christians actually connect their faith to such issues as economic equality, government intervention, and the rights of private enterprise. Drawing on lengthy interviews, he makes a comprehensive analysis of forty-seven diverse Christians: Roman Catholics, Pentecostals, mainline Protestants, Jehovah's Witnesses, and others who range from manual laborers to corporate executives, from conservatives to socialists. The results are sometimes surprising. On economic issues, Hart shows, evangelicals and fundamentalists are at least as liberal as mainline Protestants. One Missionary Alliance member, for example, bases her populist views on the ideas that we are all children of God and God favors the lowly. Many traditionalists come to liberalism through the belief that economic life should be governed by an ethical vision, not just market forces. Modernists, on the other hand, often desire an unbridled free market out of concern to maximize individual freedom. Hart identifies five themes from Christian tradition: voluntarism, universalism, love, thisworldliness, and otherworldliness. These themes are repeatedly drawn upon when respondents think about economic justice issues. He shows how these themes are used to support both conservative and liberal views, arguing that Christianity is a terrain of debate with no single inherent set of political implications, let alone the monolithic conservative ones promoted by the Christian Right. In fact, he writes, respondents tend to speak in more liberal terms when they articulate the social implications of faith than when they talk about economic issues in purely secular terms. Christian faith thus provides many Americans with a vision that can contribute to change in the direction of greater equality, community, and economic justice. Most Americans are members of Christian churches, and the last decade has shown the tremendous impact politically active Christians can have. In *What Does the Lord Require*, Stephen Hart offers a new understanding of how faith shapes the capacity of grass roots Christians to participate in public debate about economic life.

Swedish Chicago Anita Olson Gustafson, 2018-12-14. Between 1880 and 1920, emigration from Sweden to Chicago soared, and the city itself grew remarkably. During this time, the Swedish population in the city shifted from three centrally located ethnic enclaves to neighborhoods scattered throughout the city. As Swedes moved to new neighborhoods, the early enclave-based culture adapted to a progressively more dispersed pattern of Swedish settlement in Chicago and its suburbs. Swedish community life in the new neighborhoods flourished as immigrants built a variety of ethnic churches and created meaningful social affiliations in the process, forging a complex Swedish American identity that combined their Swedish heritage with their new urban realities. Chicago influenced these Swedes' lives in profound ways, determining the types of jobs they would find, the variety of people they would encounter, and the locations of their neighborhoods. But these immigrants were creative people, and they in turn shaped their urban

experience in ways that made sense to them Swedes arriving in Chicago after 1880 benefited from the strong community created by their predecessors but they did not hesitate to reshape that community and build new ethnic institutions to make their urban experience more meaningful and relevant They did not leave Chicago untouched they formed an expanding Swedish community in the city making significant portions of Chicago Swedish This engaging study will appeal to scholars and general readers interested in immigration and Swedish American history **The Sunday-school World** ,1880
