Motherhood how many ways have we tried to explain such a complex and intriguing phenomenon What would make one do the unspeakable the unimaginable all in the name of Motherhood What makes a mother We know it s not all genetic for there are countless examples of those who have stepped into the role of Mother without ever bearing a child Mother such a heavy title yet taken and worn by so many without even breaking a sweat as if it weighed less than a feather Songs have been written poems recited all in honor of this person who often operates quietly behind the scenes raising nurturing and molding the minds and lives of future generations It seems that no matter how many days have been set aside or programs planned in honor of Mothers it s never enough So once again this is another attempt to tell Mothers just how much they are loved needed and appreciated We the members of the Women s Ministry of Bethel Memorial A M E Church have taken this moment in time to pause and pay tribute to our Mothers *Appletons' Annual Cyclopaedia and Register of Important Events*, 1892
