HowExpert, Noah Granger, 2022-07-29 If you want to learn about the best amusement parks roller coasters and theme parks
around the world then check out HowExpert Guide to Amusement Parks and Roller Coasters From the classic wooden roller
coaster at your local pier to the highly technical and intricate new ride that Disney is set to open this next year to the high
speed steel beast of a monster that sits a few hours away at the closest Six Flags there is a multitude of attractions out there
Unfortunately all that stands between you and said attraction is a two hour long car trip followed by a 25 parking fee and
then a three hour line Okay so maybe that doesn't sound desirable But what does sound desirable is the opportunity to
experience a world class thrill ride that you can brag to your friends in class or perhaps being immersed in a land that is
themed to your favorite movie in which you forget you're still in the same world as before Theme parks and amusement parks
alike offer something unlike anything else and each park offers something different and unique from the others Here in this
book you'll learn all there is to know about both theme and amusement parks the different types of rides roller coasters and
much more We'll also rank the best 101 amusement parks some of which may only be a short trip away from you The best
part about this is not only will you be able to pull this guide up whenever you need it and be able to impress the coaster
enthusiasts with your knowledge and understanding of the lingo but you also won't have to wait in a three hour line to crack
this thing open Here is your fast pass to all the park industry related knowledge you couldn't possibly imagine having before
