W. Royce Clark, 2020-06-22 When the human sciences in the West followed the physical sciences in the 18th and 19th centuries with new measurements methods and language the metaphysics of infinity lost its credibility The response of Western religions was to retrench in a stronger authoritarianism especially by the last half of the 19th century While the new human sciences were being extended even to study the history and philosophy of religions those religions themselves placed more emphasis on their understanding of the Absolute or Unquestionable That split became a burden both to those who were religious and to those who were not Here W Royce Clark argues that humanity s survival may depend on the development of a universal or inclusive ethic in which religions move beyond their Absolutes Clark poses the sharp challenge Are religious communities ready to abandon the foundations that until now they have insisted were the only adequate foundation for ethics      People and Things from the Blount County, Alabama, Blount County Journal 1909 - 1918 Robin Sterling, 2015-04-26 The Blount Count Journal published in Oneonta from 1909 to 1918 Compared to other Blount County papers the Journal was only a small blip on the journalistic radar in Blount County However it is an often overlooked and untapped source of great genealogical and historical knowledge While some of the articles mirror those published in its contemporary publications often the Journal captured other obituaries and news missed by the Democrat Most of the original copies of the Journal were found in the court house in Oneonta These were reviewed for notices of births marriages obituaries and interesting news items Missing issues from the court house were reviewed at the State Archives in Montgomery This book will add to the body of knowledge of Blount County Alabama and will serve as a useful tool for area genealogists and historians      **Christian Advocate and Journal and Zion's Herald** ,1899      **Inspirational Nuggets of Wisdom** Lawrence Patterson, 2020-10-07 This book contains weekly life changing devotionals to help you get through some of the most difficult and discouraging times These fifty eight practical easy to read lessons were designed to help shape mold and empower your thinking into becoming the true overcomer that you were created to be through the eyes of God that will last a lifetime Included with each inspiring devotional is an easy to understand reflection exercise accompanied with Bible scriptures so that you can practically put to use what you ve read Put words to action and start your change today Change is not change until you change and this book is a great tool to get you started on your journey to a new joyous peaceful and prosperous life with God      *Surviving Cancer* David E.
