## **Skin Crawl Darkly Erotic Horror Stories:**

*SKIN CRAWL - Darkly Erotic Horror Stories* Alex Severin, 2012-11-09 SKIN CRAWL is a short story collection of deviant dark erotic horror by Alex Severin. Let that be a warning. This is NOT a romance book, straight up erotica, or traditional horror. This is very dark erotica for the demented. Please download a sample and try before you buy to see if it's your cup of tea. Featuring online favorites that launched Severin into the horror underground a decade ago, little seen micro press anthologies, orphans, and an exclusive never before published short story. This paperback also contains the first three chapters of Alex Severin's debut novel VAMPIRE VINTAGE BOOK ONE BELLADONNA IN HOLLYWOOD. SKIN CRAWL runs the gamut from a priest with an unholy obsession with his Virgin Mary statue, a romantic pair of necrophiliacs, a beastly old magician with very strange eyes, to a proud but unusual surrogate mother. This is raw, uncompromising erotic horror at its darkest. Short Story collection of approximately 27,000 words. WARNING: EXPLICIT SEX, EXTREME VIOLENCE. Her face contorted with equal amounts of disgust and pleasure. The matted beard of her lover scraped against the peach of her cheek as she forced down her rising gorge. Her nostrils under assault from the stench of the rancid morsels of days old food that nested there. A wave of nausea washed over her, but the fluttering of her eyelids and the gasp in her throat could not deny the skill of his hand. She pulled him close to her and felt his hot sermon in her ear, his divine wisdom seeping into her, feeding her, soothing her like a warm injection. From THE BLAIR. He crept away from the quiet cottage, parents gently snoring in their bedroom, then belted down the road at full speed. His pulse throbbed in his ears with excitement. He reached the house in a few minutes and stood at the bottom of the drive, staring at the darkened windows. There were shapes moving in those windows, whispers penetrating the night air and filtering over to him as he stood there. He couldn't decipher what they were saying, but he didn't like it. The whispers made the hairs on the back of his neck stand on end. The whispers were about grown up things, things he didn't know about, but knew enough that he shouldn't be listening to them. He wanted to leave, but he couldn't move, couldn't prise himself from the spot, couldn't even scream when he realized there was a man standing in the shadows under a tree just a few feet away from him. He'd been there the whole time, watching him while he watched the shadows in the window and listened to the whispers in the dark. The man lunged forward and grabbed him by the arm, forced a palm over his mouth. From THE MAN WITH THE ABSINTHE EYES. Be still. You are not yet ready to move. You must allow yourself to become familiar with your new condition. He looked at the man, eyes squinting. My new condition, he croaked, his throat dry, vocal cords tight and coated with panic. The man was vaguely familiar; he had seen that hideous yet compelling face before, and that insane gaze. Black and white photographs with sinister captions came to mind. He had visions of devout worshipers at his feet and Latin phrases echoing off stone walls in the torch lit gloom of a castle. *Uncensored Fantasies* Danielle Engle, 1997.
