

3 Channel Personal FRS Radio

RadioShack welcomes you to the next generation of personal communication — the Family Radio Service (FRS). FRS is a new license-free, two-way, short-range voice radio service that lets families and groups keep in touch with each other on specific reserved channels.

Your RadioShack 3 Channel Personal FRS Radio is a lightweight, palm-sized radio that you can carry almost everywhere and use to talk with another person who has a FRS radio set to the same frequency as your radio (462.5625 MHz, FRS Channel 1, 462.5875 MHz, FRS Channel 2, or 467.5625 MHz, FRS Channel 8).

Your radio has auto-squelch, which means you will not hear anything on a channel unless someone is transmitting nearby on the same channel. You can turn off auto-squelch to hear weaker, more distant transmissions.

Other features include:

3 Channels — selectable with CH switch located on the back of the radio

10 mW ERP RF Output — provides clear communication for up to 10 miles

Low Battery Warning Tone — lets you know when the batteries need to be replaced before it's too late

PREPARATION

Installing Batteries

Your radio requires 4 AAA batteries (not supplied). For the best performance and longest life, we recommend RadioShack alkaline batteries. You can also use RadioShack rechargeable Ni-Cd batteries and recharge them using an optional charger.

Cautions:

- Use only fresh batteries of the required size and recommended type.
- Do not mix old and new batteries, different types of batteries (alkaline or rechargeable), or rechargeable batteries of different capacities.

Follow these steps to install batteries:

1. Rotate Volume Switch fully clockwise until the radio clicks to turn off the radio.
2. To remove the battery compartment cover, press the raised dots on the cover and slide it down.
3. Install the batteries according to the polarity symbols (+ and -) marked inside.
4. Replace the cover.

When the batteries weaken, the red indicator flashes, a tone sounds, the radio will not transmit or receive, and an error tone sounds whenever you press PTT or CALL. Replace the batteries.

Warning: Dispose of old batteries promptly and properly. Do not burn or bury them.

OWNER'S MANUAL — Please read before using this equipment.

Caution: If you do not plan to use the radio for a month or longer, remove the batteries. Batteries can leak chemicals that can destroy electronic parts.

Important: This radio can use Ni-Cd rechargeable batteries. At the end of a Ni-Cd battery's useful life, it must be recycled or disposed of properly. Contact your local, county, or state hazardous waste management authorities for information on recycling or disposal programs in your area or call 1-800-522-5837. Some options that might be available are: municipal curbside collection, drop-off boxes at retailers such as your local RadioShack store, recycling collection centers, and mail-back programs.

Selecting a Channel

Slide CH at the back of the radio to 1, 2, or 8 to select the channel your radio transmits on.

OPERATION

PTT (Push To Talk) — press to transmit. The radio beeps once and the red indicator lights. Speak into the microphone, then release PTT at the end of your message.

MON (Monitor) — hold down to hear everything on a channel, even weak transmissions. Release MON to turn auto-squelch back.

CALL — hold down to send a page to other FRS radios set to the same channel. The radio rings. After you hold down CALL for about 6 seconds, the ring stops.

Volume Switch — rotate to turn the radio on and off and adjust the volume.

Attaching the Belt Clip

To attach the supplied belt clip, slide the belt clip onto the tab at the back of the radio until it clicks. Then slide the clip over your belt. To remove the clip, pull upon the middle tab of the clip and slide the clip down.

Using an Optional Safety Chain

To use an optional safety chain (available at your local RadioShack store), clip the chain to the bar behind Volume Switch.

CARE AND MAINTENANCE

To enjoy your radio for a long time:

- Keep the radio dry. If it gets wet, wipe it dry immediately.
