 cookbook for electric and stovetop pressure cookers you ll ever need What s not to love about the pressure cooker Using
 pressure created by super heated steam the pressure cooker can cut cook times by 70 percent meaning dinner is on the table
 faster and with significantly less energy use Your dinner will be more nutrient rich because vitamins and other good things
 won t be lost in evaporating steam And it will taste delicious and succulent because none of the food s moisture has been
 allowed to escape Finally today s modern pressure cooker has been re engineered for safety and ease of use including the
 development of the electric pressure cooker Because no moisture evaporates during cooking conventional stovetop recipes
 do not work in the pressure cooker For success the pressure cooker requires different food to liquid ratios and because of
 that superheated pressure cook times are very precise With this comprehensive guide the busy cook can use fresh
 ingredients to create more than 700 tasty recipes developed for and scrupulously tested and retested for the pressure cooker
