**Marie Claire Cooking** Donna Hay, 1997 Contains general recipes taken from the magazine Marie Claire      **The Big Book of Bacon** Jennifer L. S. Pearsall, 2014-11-18 Bacon has long been one of the most popular and prominent components of American table fare Bacon and eggs just rolls off your tongue long before the waitress at your local diner can get your cup of coffee set before you The BLT celebrates all that's right with one of the summer's simplest sandwiches And burgers Well why have a cheeseburger when you can have a bacon cheeseburger Building on those red white and blue foundations author Jennifer L S Pearsall has taken all the savory smoky sweet goodness that is bacon and elevated its status Working this succulent cured meat into dishes ranging from comfort to extraordinary basic to complex and across the spectrum of breakfast lunch appetizers dinners and desserts yes desserts Pearsall has taken the uses of bacon to new heights As she puts it I can't think of anything bacon doesn't work with There's just something about it that seems to complement every other food it comes in contact with and across the range of sensations we normally associate with taste salty sweet sour and bitter But during Pearsall's time in the kitchen putting together this book she found that bacon also qualifies as umami that fifth taste sensation that roughly translated simply means good flavor Sure bacon can be a dominant feature in something like a well topped burger a place where you really want to taste the bacon as a whole But dice it fine and work it into a dessert crust a bread dough pulled pork anything and now you've got a dish that just has something Something more than it did without this wonderful meat Skyhorse Publishing along with our Good Books and Arcade imprints is proud to publish a broad range of cookbooks including books on juicing grilling baking frying home brewing and winemaking slow cookers and cast iron cooking We've been successful with books on gluten free cooking vegetarian and vegan cooking paleo raw foods and more Our list includes French cooking Swedish cooking Austrian and German cooking Cajun cooking as well as books on jerky canning and preserving peanut butter meatballs oil and vinegar bone broth and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home      **My Family's Other Recipes** Ian Nunn, 2011-12-01 Bullied by his second daughter into putting the family's favourite recipes into book form this subject became a sub theme in what turned out to be an autobiography but one written about an ordinary life although with an ability to find the humorous side of most events For serious foodies this book may be a little thin on content but there are some interesting pieces of food history and it is very much a personal view of the last sixty years The book is set out in four sections based loosely on four periods of the author's life and given titles based on a four course meal of hors d'oeuvres fish meat and dessert entitled horses doovers fishy tales butcher's meat and just desserts If you want a relaxing read on an inconsequential life which may make you smile buy this book If you want a serious cookery book or autobiography of someone famous or important then you will have to look elsewhere What does come through is here is a book written by a

guy with a love of life a beard more appropriate to a mad badger and a slightly quirky sense of humour who writes for his own enjoyment but with a warmth others may find undemanding **Cheeky Wholesome Cooking - Back to Basics** **Teressa Dorlordise Fisk**,2014-11-01 My Book is called Cheeky Wholesome Cooking back to Basics **Teressa Dorlordise Fisk** Cheeky Wholesome Cooking Back to basics My cooking website The Cheeky Homemaker is a place where I share recipes video blogs and meal ideas I have been getting such a great response that I decided I wanted to try and share more of these recipes in a cookbook for people to have in their own homes and pass down to their children This cookbook is a guide to how get back to basics with cooking Being a busy parent I know how hard it is to get inspiration for meals and try to keep them as healthy as possible Food is my love and my passion I was taught how to cook from a very young age as my mother from Maltese heritage I want to share some easy tips and tricks I ve learn along the way to help other people just like me and bring back the love of wholesome food
