Choosing The Right Web Design

A web design company has five template websites they can design for potential clients. These templates are available in Code Studio for you to look at.

The list below represents several potential clients who are looking for web design help. Your task is to recommend a particular template to each client based on their needs.

- 1) Claire: "I'm a wedding photographer so I need a place to showcase my photos so people can see all the pictures I take"

Recommendation: Template A **Why did you pick this template?** I picked this template because it was made solely for photos, and there are plenty of spaces to put her photos.

- 2) Dayne: "I write a weekly column where I rank the best movies that have been released each weekend and include photos of their movie posters"

Recommendation: Template D **Why did you pick this template?** I picked this template because it has rankings, places for pictures, and even a place to comment about the movie.

- 3) Tess: "I run a business that prints different types of T-shirts - I need people to know where to find my business and what kinds of shirts we offer"

Recommendation: Template C **Why did you pick this template?** There are multiple places to put her images of the shirts on the website and places to put a price range and description of each one.

- 4) Jamila: "I'm a huge fan of the wrestler turned movie star The Rock. I want to make a fan page for him with lots of pictures and listing out all of the reasons he's the best movie star ever"

Recommendation: Template D **Why did you pick this template?** I pick this template because she will be able to have a numbered list, will be able to insert pictures, and she can list the reasons below the picture.

- 5) Thomas: "I write my own stories and I want a place to publish some of them. I don't do any illustrations though - I only focus on the words themselves."

Recommendation: Template B **Why did you pick this template?** I picked this template because there are no places to insert pictures, and there's tons of room to write.
