Barrios,2024-07-09 In *We the Ekklesia* Pastor Diego Barrios has posed some very profound and thought provoking questions For instance Are we currently facing the collapse of a nation Is darkness taking over the whole world And is there nothing to be done about it Has the American church been negligent or even worse ignorant of their influence on the realm of the spirit Are people being given an unrealistic hope for their future He goes on to explore these additional questions What is the Ekklesia Is it not the same thing as the church Could it be that the institutionalized church was never a part of God s plan Is it possible for sincere believers to become victims of religious deception Can decisions in the spirit realm really affect the natural Is it possible to produce better results with less effort just by operating from the heavenly realms In this book the author answers all these questions and many many more He does so in light of the revelatory knowledge he received in his walk with the Holy Spirit Remember We the people can be cheated can be manipulated or simply ignored The truth is that nothing can be done to bring significant changes by fighting in the physical realm Everything going on in the world today can be changed No it s not the Republic a political party or even a beloved candidate that will bring about the needed changes and restoration It s you You are part of the only entity that can change history manifesting the supernatural Kingdom of heaven in the natural realm Who has this power It is we the Ekklesia In the following chapters you will begin to understand just how important and powerful We the Ekklesia really are *The British Magazine and Monthly Register of Religious and Ecclesiastical Information, Parochial History, and Documents Respecting the State of the Poor, Progress of Education, &c*
