Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization. Meaningful Church membership can only be found by loving and following Christ alone. He is The Way forward. Accordingly, church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families, church, and community. Believers are summoned to live a spiritually disciplined life for the purpose of godliness. Essential discipleship therefore must center upon full obedience to the Holy Scripture, not out of mere duty but from an intimate, loving disciple's relationship. The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home. Focusing on parental responsibility is not to suggest that the community of faith has no didactic role; rather, it better organizes and supports biblical discipleship in the context of the family unit. Redeeming the Time biblically examines Christ's transformational leadership as the servant way, the appointed way, the passionate way, and the challenging way. For all who follow Him, He is our CLEAR Path forward. Growing in Discipleship Navigators (Religious organization), 2006-06. This concise, easy-to-follow study will provide insight and encouragement to help you grow as a true disciple of Christ by learning to share the blessings you've received from God.

Following Jesus Christ John K. Goodrich, Mark L. Strauss, 2019-11-19. A Comprehensive Guide to Discipleship in the New Testament and Today's World. Although the concept of discipleship is an integral part of New Testament teaching, it has largely faded from discussion in both the academy and the local church. To revive and reclaim this teaching for believers in the twenty-first century, editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship, providing a comprehensive biblical picture. In addition, other contributors explore discipleship in the context of the local church, spiritual formation, and the life of the mind. Together, these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives. An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy. Rich with insight. Following Jesus Christ represents a major advance in this essential area of study. Craig A. Evans, Houston Baptist University. We are treated here to a survey of what discipleship means in the New Testament from experts in the field, and we also see some of the wider dimensions of discipleship in this important work. All those wanting to understand discipleship will find this to be a valuable resource. Thomas R. Schreiner, The Southern Baptist Theological Seminary. **The Disciples—Second Edition** D. Duane Cummins, 2023-07-14. This new second edition, refined, updated, and revised, contains the story of those 15 years along with revisions in how a humble gathering evolved over two centuries into the Christian Church.
