The Palgrave Handbook of New Directions in Kashmir Studies Haley Duschinski, Mona Bhan, Cabeiri deBergh Robinson, 2023-06-01 The Palgrave Handbook of New Directions in Kashmir Studies provides a comprehensive interdisciplinary and transregional perspective on the Kashmir dispute Spanning South and Central Asia Kashmir has been at the center of geopolitical conflicts and rivalries among India Pakistan and China for decades with members of heterogeneous local communities negotiating the complexities of regional state formations national power assertions and geopolitical competitions Taken together the chapters in this handbook examine diverse people's struggles to establish processes of democratic accountability in relation to the colonial era state consolidations postcolonial military occupations interstate wars intrastate armed conflicts and cold war and post cold war politics that have shaped and transformed social and political identities in the region Contributors chart out varied and bold new directions by attending to local constellations of situated

knowledges and practices through which people living in different parts of the disputed region make sense of the conditions and contingencies of their political lives The handbook further initiates a dialogue on the ways in which state power and border regimes have shaped scholarship and undermined the pursuit of shared intellectual and political projects across physical and epistemological boundaries

Dark Tourism and Pilgrimage Daniel H. Olson, Maximiliano E.

Korstanje, 2019-12-21 In recent years there has been a growth in both the practice and research of dark tourism the phenomenon of visiting sites of tragedy or disaster Expanding on this trend this book examines dark tourism through the new lens of pilgrimage It focuses on dark tourism sites as pilgrimage destinations dark tourists as pilgrims and pilgrimage as a form of dark tourism Taking a broad definition of pilgrimage so as to consider aspects of both religious and non religious travel that might be considered pilgrimage like it covers theories and histories of dark tourism and pilgrimage pilgrimage to dark tourism sites and experience design A key resource for researchers and students of heritage tourism and pilgrimage this book will also be of great interest to those studying anthropology religious studies and related social science subjects

The State of Sex Barbara Brents, Crystal Jackson, Kathryn Hausbeck, 2009-12-16 This study of Nevada's brothels uses empirical data and sociological theory to situate the United States only legal brothel industry in the political economy of contemporary tourism The personal accounts of sex workers make this a compelling read for students and those interested in the sex industry

King, Mike Parnwell, 2009 Tourism in Southeast Asia provides an up to date exploration of the state of tourism development and associated issues in one of the world's most dynamic tourism destinations The volume takes a close look at many of the challenges facing Southeast Asian tourism at a critical stage of transition and transformation and following a recent series of crises and disasters Building on and advancing the path breaking *Tourism in South East Asia* produced by the same editors in 1993 it adopts a multidisciplinary approach and includes contributions from some of the leading researchers on tourism in Southeast Asia presenting a number of fresh perspectives The volume combines introductory material with an in depth examination of anthropological writing on Southeast Asian tourism followed by case studies dealing with as diverse issues as globalization terrorism romance tourism and ecotourism

Tourism in South and Southeast Asia C. Michael Hall, Stephen Page, 2012-10-12 Tourism in South and South East Asia is a comprehensive and solid introduction to tourism in South and South East Asia with a specific appeal both to institutions in the region and other institutions who wish to expose students to one of the most dynamic tourism regions in the world Despite downturns in outbound tourism due to the current economic crisis inbound tourism from outside the region has continued to increase with governments placing more emphasis on the economic significance of tourism than ever Tourism in South and South East Asia is the first tourism book to deal comprehensively with the implications of the Asian economic crisis for tourism With South and South East Asia set to be the fastest growing area of tourism activity in the world well into the next century Tourism in South and South East Asia is an essential text for students both within and

outside of this region Dealing with concepts themes and issues which are pertinent to tourism development planning marketing and management these two internationally known authors have produced an authoritative text that covers all aspects of this topic through the use of illustrative and relevant case studies **Tourism and Violence** Dr Hazel Andrews,2014-12-28 Drawing on a range of case studies this book demonstrates the relationship between tourism and violence both in its overt physical form and in the social structures and symbolic landscapes that underpin touristic activity Tourism and Violence offers a timely intervention in this field by bringing together for the first time work by scholars who in their different ways are engaging with the concept of violence within touristic settings and practices This unique book paves the way for future research that will probe further the intersections between violence and tourism **Critical Theories in Dark Tourism** Nitasha Sharma,Annaclaudia Martini,Dallen J. Timothy,2024-12-02 This book facilitates a critical investigation of gaps in theorizing and framing dark tourism by navigating through some onto epistemological issues theoretical entanglements future possibilities and the application of critical theoretical perspectives related to affect and emotions human animal studies postcolonialism feminism trauma studies posthumanism power and identity In doing so it advances the need to connect critical theory pragmatism and contemporary issues of social and global relevance Given the growing body of critical research within tourism studies dark tourism has somewhat lagged behind For example critical tourism researchers have been examining postcolonialism for two decades but dark tourism research has only sporadically engaged with this topic Similarly the issue of gender has been curiously neglected within dark tourism In addition dark tourism research has tended to shy away from the big challenges facing contemporary societies Through its engagement with a range of critical theories this volume not only addresses gaps in the existing dark tourism literature but also moves the debate forward in exciting new directions This volume is well placed to demonstrate to other disciplines and fields that dark tourism research can be critical theoretically grounded and transformative Duncan Light **Millennials, Generation Z and the Future of Tourism** Fabio Corbisiero,Salvatore Monaco,Elisabetta Ruspini,2022-06-23 This book examines the lifestyles expectations and plans of Millennials and Generation Z and how they are redefining tourism It demonstrates that if the tourism industry is to enjoy future growth it must understand and meet the particular needs of these two generations The volume explores the present and future challenges faced by the tourism industry as a result of the generational turnover and seeks to answer the following questions What contribution can the new generations make to the future of tourism How are technological advancements and social networks shaping future travel trends Can a generational perspective be useful to help the tourism industry recover from the COVID 19 crisis The book will be of interest to researchers and students of sociology and tourism studies as well as tourism professionals **The Tourism-Disaster-Conflict Nexus** Andreas Neef,Jesse Hession Grayman,2018-11-12 Tourism is often seen as the world s peace industry Yet while tourism may play a major role in post conflict and post disaster recovery the sector can also be a trigger of crisis and disaster This book

examines the complex linkages between tourism disaster and conflict through a series of case studies drawn mainly from the Asia Pacific region Virtual Dark Tourism Kathryn N. McDaniel, 2018-04-23 This book takes the concept of dark tourism journeys to sites of death suffering and calamity in an innovative yet essential direction by applying it to the virtual realms of literature film and television the Internet and gaming Essays focus both on the creative construction of imaginary journeys and the historiographic and civic consequences of such memorializations From World War II time travel novels to Game of Thrones and from Internet reproductions of Rwandan genocide locations to invented tragedies in futuristic domains authors from various fields examine the purpose and influence of simulated travels to morbid sites Designed for a wide audience of scholars and travelers virtual and real this volume raises awareness about the many pathways through which we encounter death experiences in contemporary society What we know about the past or what we think we know about it is shaped daily by such imagined journeys as these **Urban Tourism in the Global South** Christian M. Rogerson, Jayne M.

Rogerson, 2021-07-13 This book examines and addresses the particular character of urban tourism occurring in the global South It presents research essays on tourism in urban areas of South Africa a country which is associated with big 5 nature tourism but where urban areas are also major tourism destinations The book contextualizes urban tourism in South Africa as part of the other half of urban tourism an overlooked but energetic scholarship which is emerging on urban places in the global South The volume moves to present a collection of original material variously on national perspectives on urban tourism following by a cluster of city level perspectives The last three contributions turn to the role of tourism in small towns the bottom rung in the urban settlement system Issues of concern include gastronomic tourism VFR travel airportsclapes climate change AirBnb and creative tourism Finally as COVID 19 is potentially a defining historical moment for urban tourism the volume incorporates historical research perspectives in order to address the overwhelming present mindedness of mainstream urban tourism writings The book highlights the challenges and opportunities for tourism development in the environment of the urban global South and is relevant to scholars of both tourism and urban studies as well as researchers in development studies
