The Three Lights Horace H. Johnson, 2022-12-14 Have you ever experienced something or seen something that you just cannot explain If you have you know the experience stays with you your whole life It could be a positive or a negative experience but it's yours and the longer you live with it it becomes an even bigger part of you In this book Horace H Johnson observes that living for someone or something other than yourself will give you an abundant life He also observes how important it is to think about all the good things you've been given amid life's obstacles Much of the book is devoted to the lessons the author learned growing up including how football taught him to be a member of a team He also shares wisdom from family members including his mother who said If you can't run your own house you don't need one meaning never let anyone come into your home and tell you how to run it Join the author as he reflects back on his life and consider the lights in your own life in this inspiring autobiography

Lee, 2022-12-15 Christian spiritual formation resources and teachings have primarily come from Western spiritual traditions Our current approach to formation comes out of that way of thinking and being communicating that the white experience of God is the norm and authority In *Our Unforming De Westernizing Spiritual Formation* Cindy S Lee proposes that we as the church need a new way to engage in spiritual formation To thrive in our increasingly diverse contexts we need an unforming and a reforming of our souls We need to unform the ways Western dominated church leaders have understood formation We need to reform to imagine and create a more intricate spirituality that includes diverse experiences of God Our Unforming is organized into three cultural orientations and eight postures Lee proposes that when we consider non Western cultural ways of being turning from linear to cyclical from cerebral to experiential and from individual to collective the formation journey shifts We live out these movements through postures ways of entering into deeper spiritual transformation The eight postures reflect our experience of time generations imagination uncertainty language work dependence elders and harmony Lee offers a more robust spirituality to hold the complexities of a multicultural God and the God human relationship Our Unforming is sure to inspire further conversation as it shifts how we approach formation in our diverse communities
