**The Scandals of Translation** Lawrence Venuti, 2002-09-11 Translation is stigmatized as a form of writing discouraged by copyright law deprecated by the academy exploited by publishers and corporations governments and religious organizations Lawrence Venuti exposes what he refers to as the scandals of translation by looking at the relationship between translation and those bodies corporations governments religious organizations publishers who need the work of the translator yet marginalize it when it threatens their cultural values Venuti illustrates his arguments with a wealth of translations from The Bible the works of Homer Plato and Wittgenstein Japanese and West African novels advertisements and business journalism

*An Accidental Journalist* Cheryl Heckler, 2007 When an idealistic American named Edmund Stevens arrived in Moscow in 1934 his only goal was to do his part for the advancement of international Communism His job writing propaganda led to a reporting career and an eventual Pulitzer Prize in 1950 for his uncensored descriptions of Stalin's purges This book tells how Stevens became an accidental journalist and the dean of the Moscow press corps The longest serving American born correspondent working from within the Soviet Union Stevens was passionate about influencing the way his stateside readers thought about Russia's citizens government and social policy Cheryl Heckler now traces a career that spanned half a century and four continents focusing on Stevens's professional work and life from 1934 to 1945 to tell how he set the standards for reporting on Soviet affairs for the Christian Science Monitor Stevens was a keen observer and thoughtful commentator and his analytical mind was just what the Monitor was looking for in a foreign correspondent He began his journalism career

reporting on the Russo Finnish War in 1939 and was the Monitor's first man in the field to cover fighting in World War II. He reported on the Italian invasion of Greece, participated in Churchill's Moscow meeting with Stalin as a staff translator and distinguished himself as a correspondent with the British army in North Africa. Drawing on Stevens's memoirs to which she had exclusive access as well as his articles and correspondence and the unpublished memoirs of his wife Nina Heckler traces his growth as a frontline correspondent and interpreter of Russian culture. She paints a picture of a man hardened by experience who witnessed the brutal crushing of the Iron Guard in 1941 Bucharest and the Kharkov hangings yet who was a failure on his own home front and who left his wife during a difficult pregnancy in order to return to the war zone. Heckler places his memoirs and dispatches within the larger context of events to shed new light on both the public and the private Stevens, portraying a reporter adapting to new roles and circumstances with a skill that journalists today could well emulate. By exposing the many facets of Stevens's life and experience, Heckler gives readers a clear understanding of how this accidental journalist was destined to distinguish himself as a war reporter, analyst and cultural interpreter. *An Accidental Journalist* is an important contribution to the history of war reporting and international journalism, introducing readers to a man whose inside knowledge of Stalinist Russia was beyond compare as it provides new insight into the Soviet era. **King of Clubs** Jim Ducibella, 2012-03-01 It began as a Depression era winner take all challenge between two Chicago stockbrokers, one of them a flamboyant daredevil with more guts than money and the other with more money than sense. It erupted into a national news story one never told in its entirety until *King of Clubs: The Great Golf Marathon of 1938*. In September 1938, thirty-two year old J. Smith Ferebee agreed to play 600 holes of golf in eight cities from Los Angeles to New York over four consecutive days. The ordeal meant playing more than thirty-three rounds in just ninety-six hours. The stakes: Ferebee's friend and former business partner Fred Tuerk agreed that if Ferebee succeeded he would pay on Ferebee's behalf a 20,000 mortgage on 296 acres of waterfront Virginia land. If Ferebee lost he would surrender to Tuerk his ownership stake in the property. Brokers on LaSalle Street in Chicago piled up bets. Before long the marathon was estimated to be worth 100,000 or well more than 1 million today. Playing despite a severe leg injury, Ferebee faced one obstacle after another, including a gambler's brazen sabotage attempt in Philadelphia. He started the morning rounds before dawn and ended the afternoon rounds in darkness with lighting provided by spectators' cars, local fire departments or flares. Remarkably, Ferebee never lost a ball. Combining the appeal of *Seabiscuit* and *The Greatest Game Ever Played*, *King of Clubs* will amaze and entertain readers from opening drive to final putt. University of Michigan Official Publication, 1940 **Speech Play** Barbara Kirshenblatt-Gimblett, 2016-11-11 From riddles to proverbs, from jingles to jokes, from mnemonics to pig Latin to dueling with words, speech play is central to social life in all of its forms. These essays describe a variety of speech play genres, formulate the rules for play with language and discuss the relevance of speech play to current issues in linguistic theory, cognitive development and the ethnography of speaking.
