Managing Executive Transitions Tim Wolfred, 2009-06-09 The Essential Guide for Managing Leadership Turnovers A leadership transition can be a time of high vulnerability for a nonprofit organization On the other hand an executive turnover offers unique opportunities for renewal and fresh thinking Managing Executive Transitions shows how this state of transition can give board and staff members a chance to put things back together in new and creative ways to discard some old pieces and to bring in fresh elements Nonprofit boards and executive directors will find practical advice on how to manage leadership turnovers in ways that can heighten mission impact while avoiding potential downsides Author Tim Wolfred recommends a transformational process of three phases Prepare Pivot and Thrive In the Prepare phase board members staff volunteers and funders engage in an efficient process for updating the agency s strategic directions and crafting a profile of the skills needed in the next executive In the Pivot phase a search ensues conducted by a board reinvigorated and excited about the agency s future impact In the Thrive phase the board engages the newly hired executive as a leadership partner and gives him or her clear performance priorities derived from the strategic directions Engaging case studies and hands on tools such as planning agendas timelines sample letters and communication tips will smooth the transition to new executive leadership

Great Boards for Small Groups Andy Robinson, 2006 Yours is a good board but you want it to be better You want clearly defined objectives Meetings with more focus Broader participation in fundraising And more follow through between meetings You want these and a dozen other tangibles and intangibles that will propel your board from good to great Say hello to your guide Andy Robinson who has a real knack for offering forehead slapping solutions Of course Why haven t we been doing this Take what he says about written agreements among board members Any meaningful job description must be reciprocal it defines what is expected of you but also what you can expect in return Example I accept fiduciary responsibility for the organization and will oversee its financial health and integrity By the same token I expect timely accurate and complete financial statements to be distributed at least quarterly one week in advance of the relevant board meeting In other words the board knows what to expect the staff knows what to do Each is accountable Simple right So why does the 10 item sample agreement Robinson provides seem so revolutionary Perhaps because so few people have tried an agreement like this Then there s what the author calls the Fundraising Menu Here board members are asked to generate a list of all the ways direct and indirect they could assist in fundraising The list is prioritized and then used to help each trustee prepare a personalized fundraising agreement that meets his or her specific needs interests and limitations Again simple but it s the closest thing you ll find to guaranteeing a board s commitment to raising money Toward the end of his book in a number of How to Fix It chapters Robinson homes in on specific problems such as poorly attended meetings spotty follow through on commitments inactive board members narrow consensus conflicts of interest weak agendas and much more And

Robinson doesn't offer up easy nostrums. Quite the opposite. Over the past 20 years as a board member, a volunteer and a consultant, he's put into practice what he preaches and stands unshakably behind his fog-burning advice. *Great Boards for Small Groups* contains 31 brief chapters. In fact, the whole book can be read in an hour. Funny thing though: its impact on those who heed its advice will last for years.

Resources in Education, 1999-10 [A Guide to Nonprofit Board Success](#)

Cynthia Jarboe, 2019-11-11. Whether you are a new member on the board of a nonprofit or a veteran member looking for a quick reference to the fundamentals, this book models best board practices in a straightforward way. *A Guide to Nonprofit Board Success* is a complete resource for the skills and knowledge needed to excel in your board position. Each chapter leads you to achievement in all aspects of your expected duties. You will learn how to read financial statements, understand various investment strategies and fundraise and plan events. From your first meeting with your new colleagues to planning long-term goals, this book also offers descriptions of common scenarios in the boardroom to epitomize real situations and desired outcomes. Author Cynthia Jarboe has decades of experience partnering with and working for nonprofits and has firsthand knowledge of how integral a collaborative board can be to the management and prosperity of a nonprofit. It can be overwhelming to understand board governance or to make a crucial investment without previous experience. Here you will learn the essentials of holding a board position as you prepare yourself for the role.

Advancing Philanthropy, 2008

Charity Law & Social Policy Kerry O'Halloran, Myles McGregor-Lowndes, Karla Simon, 2008-06-27. *Charity Law Social Policy* explores contemporary law, policy and practice in a range of modern common law nations in four parts and from the perspective of how this has evolved in the UK. As progenitor of a system bequeathed to its colonies and after centuries of leadership in developing the core principles, policies and precedents that subsequently shaped its development, the contribution of England/Wales: the originating jurisdiction is first described and analysed in detail in Parts 1 and 2. These broadly sketch the parameters and role of charity, seen as a mix of public and private interests, then address the law's role in protecting, policing, adjusting and supporting charity. This provides the critical dimensions for the comparative analysis of experience in the common law nations that constitutes the main part of the book. Part 3 in 5 chapters provides an analysis of the legal functions as they apply to type of need and thereby give effect to social policy in Singapore, Australia, New Zealand, Canada and the United States of America. Part 4 concludes with three chapters that appraise political influence as a factor in aligning charity law with social policy to create a facilitative environment for appropriate charitable activity. Attention is given to the central role of the regulator, contemporary charity law frameworks and definitional boundaries.
