QUESTION 57

As you assemble, you are asked to attach the front foot to the base. This is a simple task, but it is important to do it correctly. If you do not do it correctly, the front foot will not be attached properly and the machine will not work.

To attach the front foot, you will need to use the Allen key that is included with the machine. Insert the Allen key into the hole in the front foot and turn it clockwise until it is tight. This will ensure that the front foot is attached properly and the machine will work correctly.
