Women Are Like Cats and Men Like Dogs Kat Brown, 2011-12-09 Life is too short to live it miserably One of the worst ways of making your life unproductive is the endless misunderstandings and miss handling of one another whether intentionally or not If you study the behaviour of Cats and Dogs you will doubtlessly see some similarities and this book subtly shows that This book is an observation of how men and women exchange with each other pointing out obvious mistakes and offering suggestions to improve peoples relationships Take for example the woman who says to her partner We need to talk Thats one of the biggest no nos or women already making appointment with a wedding planner a just after one night of passion or the woman who spends hours gossiping with her girlfriend in her mans ear shot or indeed the man who brings back a size too large for his woman or who never notices a new hairstyle or both not communicating properly The list is endless It should have most readers in hysterics especially when they stumble upon scenarios they can relate too Don t be surprised if you recognize yourself Hey don t shoot the messenger **St. Mawr & The Man Who Died** D. Sicily it is so pleasant the sunny Ionian sea the changing jewel of Calabria like a fire opal moved in the light Italy and the panorama of Christmas clouds night with the dog star laying a long luminous gleam across the sea as if baying at us Orion marching above how the dog star Sirius looks at one looks at one he is the hound of heaven green glamorous and fierce and then oh regal evening star hung westward flaring over the jagged dark precipices of tall Sicily then Etna that wicked witch resting her thick white snow under heaven and slowly slowly rolling her orange coloured smoke They called her the Pillar of Heaven the Greeks It seems wrong at first for she trails up in a long magical flexible line from the sea's edge to her blunt cone and does not seem tall She seems rather low under heaven But as one knows her better oh awe and wizardry Remote under heaven aloof so near yet never with us The painters try to paint her and the photographers to photograph her in vain Because why Because the near ridges with their olives and white houses these are with us Because the river bed and Naxos under the lemon groves Greek Naxos deep under dark leaved many fruited lemon groves Etna's skirts and skirt bottoms these still are our world our own world Even the high villages among the oaks on Etna But Etna herself Etna of the snow and secret changing winds she is beyond a crystal wall When I look at her low white witch like under heaven slowly rolling her orange smoke and giving sometimes a breath of rose red flame then I must look away from earth into the ether into the low empyrean And there in that remote region Etna is alone If you would see her you must slowly take off your eyes from the world and go a naked seer to the strange chamber of the empyrean Pedestal of heaven The Greeks had a sense of the magic truth of things Thank goodness one still knows enough about them to find one's kinship at last
