*The Seven Keys to the Kingdom* Apostle Pinky,2010-12 Have you ever been wrong about anything Have you ever passionately believed in something only to find out later that you were mistaken all along It seems that every church teaches something different from that of the next one They can't all be right but it's very important to the Lord that we know the truth Which church teaches it Do any of them have the full picture How can we know that we know that what we've always been taught is accurate The only message that Jesus brought to Earth was that of the Kingdom It's repeated time after time in every word that He spoke in every book of the New Testament and foreshadowed in every book of the Old Testament Kingdom relationship is the entire reason that we were created and the only reason that Jesus came to Earth died and rose again Yet most Christians have never heard the message How can this be Because even though it has been right in front of our faces for two thousand years God has kept it hidden from our understanding until now Millions have read this truth and their eyes have been opened and their lives changed It is for our generation to finally understand the scripture This book will change your theology your heart your mind and your life God has taken what we've always thought was Christianity and turned it upside down He is showing the church how that we've had it all backwards Pinky has the gift to articulate the mind blowing scripture truths in an easy to read and hard to put down revelation You've always known in your heart that there has to be something more than going to church Hold on tight This is it [The Kingdom of Heaven Within the Holy Book of the Great Invisible Spirit ?](#) Sanetha,2012-08-01 The spiritual subject of past lives and reincarnation is highly controversial Most religions don't believe it and science cannot prove it yet This book is an energy healing communication with a DNA surprise assisting you to integrate and understand the deep seated truths about who you are and where you came from The

information explains what is happening to us the earth and the universe and what one needs to do to adapt to the new energies on the planet at this time and for the years to come These pages contain a profound message with the new energy message that I have delivered many times over my many lifetimes Who am I and Where do I come from are questions that have been on the minds of everyone since the beginning These thoughts are imprinted in our basic DNA When I became aware of who I was in the previous lifetime just before this one less than five months between lives my newfound identity propelled me into the search for the answers to the questions gnawing at my soul Each answer provided new questions leading me down the enlightened path to an encounter with the Grand Divine Plan delivering a message of peace and preparation We all have gifts and abilities unimaginable ready for anyone who walks through the door My search brought me into an awareness of knowing many of my past lives It also revealed that my purpose of discovering was not about who I was but that I would write about past lives and reincarnation at a time on the planet when this information would be so needed
