Disciplining the Teacher If she s being honest Sandra Rogers sometimes enjoys jerking around the male college students in her classes but when she goes too far with her bad marks she finds out there s someone in her class who won t get pushed too far Jackson an undergraduate after completing his military service has discovered a dirty little secret that Sandra will do anything to keep from getting out into the open He s willing to keep this secret between them but he wants to be sure that still gets the punishment she so very much deserves

Caught By My Professor Rachel Stanton has always found ways of using her good looks to get ahead and when she arrives in college it doesn t look like that s going to have to change But her easy ride runs out when her professor Alex Cossaign notices her flirting with a classmate only to copy his course work The handsome professor decides it s time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like

Naughty Rumors Annie doesn t know why she started the rumor about Professor Richardson her handsome and popular literature professor Maybe it was just a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Mr Clay himself and when Annie is called down to the office on a Friday afternoon she finds out he s heard a lot more Once past the initial mortification she can admit she s probably earned the spanking she ll get but did he really have to tell Professor Richardson about the whole thing too

Excerpt I m going to punish you Sandra he explained his hand undoing the zipper and allowing the skirt to open and fall to the floor I clutched a hand over my panties You don t seem to be grasping that reality It s either me or the Chair of your Department Which one do you want it to be I stared at him caught in an impossible place I had no one to blame but myself Why had I done it And now I was completely at his mercy Well You I whispered Me You want me to punish you I grimaced trying to think of some other option Sandra What s it going to be Yes The smile returned to his face That s a good girl I thought you d see it my way It just took a little explaining Now bend down and pick up your skirt and hand it to me I d hate to let it wrinkle down there The deep crimson blush of humiliation was rising in my face as I stared at him paralyzed Sandra he repeated pointing at my fallen garment I slid my back down the wall until I felt the rumpled fabric in my hand I stepped out of it and rose with it draped from my limp fingers Jackson held out his hand for it and I gave it to him He folded it with care placed it on the desk behind him and then turned back to me He eyed me up and down evaluating the woman standing before him I was supposed to be the authority figure but how fast the tables had turned I felt the blush in my cheeks burning hotter than ever as I felt his eyes roving my trembling body Other more

conflicted and confusing emotions were playing about inside me as well as I noticed the slight quickening of his breath and the desire in his eyes

Excerpt You know Professor I begin I understand why you have me cleaning the classroom I m really learning a lesson But as for talking to Jessie I really don t understand why that s so necessary How do you know I don t like her I shrug my shoulders That s the sort of thing I get to decide for myself isn t it I m not just a child you get to push around like that I wince slightly as I hear the last words come out of my mouth That may have been taking it too far but it was where the conversation was headed anyways That s a very interesting perspective Peter he says in a neutral voice But surely if you cared about her you wouldn t be manipulating her into giving you her work when she clearly didn t want to I roll my eyes in dismissal Professor I say is it really that simple Sometimes you need something from someone that s all It doesn t hurt her any if she helps me out just like it doesn t hurt you any if you forget this whole thing ever happened I put a little emphasis on the if I m not obvious I think but I do it just enough that he ll interpret the sentence the way I mean it He sits back and considers me for a long moment taking me in all of me I find myself suddenly a little bit self conscious but try to shake the momentary weakness out of my head What are you doing Peter he asks Why do you think it s appropriate to act this way I try to meet his gaze but I m finding it increasingly difficult Like what Professor You always trying to push people around to get what you want Do you think I m some kid who ll go weak kneed if you flex your muscles What are you talking about Professor

I ask as innocently as I can mentally backpedaling as my heart begins to hammer He seems angry It s suddenly obvious to both of us that I don t have the courage to go through with my implied threat What am I talking about He asks incredulously No enough I ve wasted too much time trying to teach you like an adult and give you the benefit of the doubt I can see now that I was wrong from the beginning He stands up angry and strong and an inch or two taller than me as he looks down at me He grabs me by my arm and pulls me to face him Look at yourself he says Do you think this is an acceptable way to behave How far in life do you think this sort of stunt will take you I look up at him unable to speak There isn t anything to say But there s something about the way he s looking at me almost like he knows he s supposed to be angry but he s responding in a different way instead almost like he s noticing me the way I noticed him along the pathway this morning I draw in a faltering breath Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Caught By My Professor with full consent of the original author

other option Sam What s it going to be Yes The smile returned to his face That s a good boy I thought you d see it my way It just took a little explaining Now bend down and pick up your pants and hand them to me I d hate to let them wrinkle down there The deep crimson flush of humiliation was rising in my face as I stared at him paralyzed Sam he repeated pointing at my fallen garment I slid my back down the wall until I felt the rumpled fabric in my hand I stepped out of it and rose with it draped from my limp fingers Jackson held out his hand for it and I gave it to him He folded it with care placed it on the desk behind him and then turned back to me He eyed me up and down evaluating the man standing before him I was supposed to be the authority figure but how fast the tables had turned I felt the humiliating flush in my cheeks burning hotter than ever as I felt his eyes roving over my body Other more conflicted and confusing emotions were playing about inside me as well as I noticed the slight quickening of his breath and the desire in his eyes Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Disciplining the Teacher with full consent of the original author Bronte's Spanking Schooldays River Hampton,2018-04-22 Bronte had been at a number of different schools enjoying herself causing plenty of trouble but achieving practically nothing in terms of education So as a last resort her parents decided to send her to a boarding school where they employed physical discipline The school prospectus explained that all teachers were encouraged to use appropriate discipline methods to assist students to work harder and behave within the rules Prefects too were allowed to use corporal punishment to address any shortfall in students behaviour The primary instruments of correction the prospectus explained were the paddle and the cane However in appropriate circumstances other discipline strategies may be employed Bronte had taken everything any school had thrown at her in terms of punishments She had never been physically punished before as all other schools had employed detentions withdrawal of privileges confinement to campus and other similar penalties but she had no concern about it What she could never have guessed is that some teachers at the school found the discipline policy a source for additional services By promising to spare students from physical punishments they exacted sexual favours This is the story of her time at the school **Teacher's Discipline 2 (Student Teacher BDSM Erotica)** Anita Dobs,2014-05-11 In part two of this stand alone story Tracy s bad behavior becomes uncontrollable as she uses insults and jealousy to anger her boyfriend college football player Brad Brad asks teacher Mr Harding for help in disciplining Tracy and Mr Harding knows that this time Tracy s dirty girl punishment will have to be far more severe Setting up an intervention for the next day the teachers await Tracy s arrival in the college gym Warning This adult story Contains mild humiliation anal spanking double entry and multiple partners to discipline the most unruly of students with four way excitement all the way teacher erotica student erotica teacher student erotica bdsm multiples erotica Disciplined By The Professor: Bundle 1 (Spanking, Erotica) Simone Holloway, This bundle contains stories 1 3 of Disciplined By The Professor Series Description Olivia has lusted after Professor Andrews for months Too shy to talk to him she assumes he doesn t know she exists Then one day he asks her to stay after class for a special cram session Her life is
