

# Simile Poem!

I am as quiet as a rabbit

I am as groovy as a colourful bouncy ball

I am as precious as a diamond

I am as smart as a dolphin

I am as friendly as a star at night

My hair is as blonde as a Mere Kat's fur

My eyes are as blue as the ocean

My fingers are like tiny pink mice tails

My brain is the size of a clock ticking away in  
my head

My cheeks are as pink as a giant marshmallow

My voice is as beautiful as a butterfly.

*Learning the Secrets of English Verse* David J. Rothman, Susan Delaney Spear, 2022-08-09. This textbook teaches the writing of poetry by examining all the major verse forms and repeating stanza forms in English. It provides students with the tools to compose successful lines of poetry and focuses on meter including free verse rhythm rhyme and the many other tools a poet needs to create both music and meaningfulness in an artful poem. Presenting copious examples from strong poets of the past and present along with many recent student examples all of which are scanned each chapter offers lessons in poetic history and the practice of writing verse along with giving students a structured opportunity to experiment writing in all the forms discussed. In Part 1 Rothman and Spear begin at the beginning with Anglo Saxon Strong Stress Alliterative Meter and examine every major meter in English up to and including the free verse forms of modern and contemporary poetry. Part 2 presents a close examination of stanza forms that moves from the simple to the complex beginning with couplets and ending with the 14 line Eugene Onegin stanza. The goal of the book is to give students the essential skills to understand how any line of poetry in English may have been composed the better to enjoy them and then also write their own the keys to the treasure chest. Rothman and Spear present a rigorous curriculum that teaches the craft of poetry through a systematic examination and practice of the major English meters and verse forms. Under their guidance students hone their craft while studying the rich traditions and innovations of poets writing in English. Suitable for high school students and beyond I studied with Rothman in graduate school and went through this course with additional scholarly material.
