If Only I Had Read the Instructions First! Mary Lynn Asher, 2024-06-16 I've written a book designed for young teenagers and the parents and mentors guiding young women The initial section reects upon the wisdom I've gained through reading the Bible and nurturing my relationship with Jesus sharing the insights I wish I had possessed earlier It offers a glimpse into my teenage diary replete with thoughts and emotions from a time when I was still finding my way The second part of the book seamlessly integrates scripture with these life lessons directing readers to relevant passages and demonstrating how God has shaped my life's transformation If Only I had Read the Instructions First serves as a practical resource for young teens embarking on their journey with Jesus equipping them with the guidance they need to align their lives with their faith It's a call to recognize the beauty in this spiritual path and provides the necessary stepping stones to commence the journey Whether you're a teenager seeking to live in accordance

with God's intentions or an adult seeking to support a young person's virtuous choices this book is a valuable starting point. It encourages a life guided by Jesus as we make choices that determine the course of our earthly existence. Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson

Christians are comfortable saying that Christianity is about a relationship with God. Yet many might also say that they sense little meaningful relationship with God in their own lives. After all, the foundation of good relationship is communication, but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking; we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. Hearing God in Conversation offers simple step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.

From Faith to Faith Bill C. Dotson, 2016-02-23 Fathers are men blessed with the joy of having children. They share the earthly responsibility of raising and nurturing them, of equipping them to become responsible and productive beings. Fathers are the cornerstone of the family foundation. Yet a problem facing families today: absentee fathers is reaching almost epidemic proportions. How is the average family supposed to overcome obstacles, and how are children supposed to learn basic values if the family dynamic is torn away? From Faith to Faith will teach you the fundamental responsibilities of fatherhood while showing you how to fulfill your God-ordained role as father. You will discover how to become the man, the father, the family foundation God intended you to be. Author Bill Dotson explores the traditional role of father and shows you how to transition from absentee father to a loving, attentive, effective parent. You can learn how to become a dad who takes an active interest in his children's lives and become a positive influence. Bill Dotson shares his experiences along with scriptures from the Bible in a straight-forward, eye-opening way that will help you understand your role as a parent.

Spiritual Parenting Michelle Anthony, 2010-06-01 It's hard enough to train kids to behave, but good behavior isn't what Jesus calls for in the Bible. He wants hearts and souls that are shaped in vibrant faith and love toward God and others. How can parents cultivate this in their children? In this book, Dr. Michelle Anthony shares practical examples and biblical insight on the spiritual role of parenting. Spiritual Parenting introduces the simple but revolutionary concept that parents are, by the power of God's Spirit, to obey and depend on God in order to create an environment God can use to beckon their children to Him.

Generation to Generation Wayne Rice, 2010 In this practical book author parent and youth ministry expert Rice challenges parents to enjoy their roles as the primary spiritual caregivers for their children and provides fun effective and easy to use ideas to help strengthen faith and knowledge through family life
