Memory in Historical Perspective Douglas J. Herrmann, Roger Chaffin, 2012-12-06 In 1885 Herman Ebbinghaus showed the world how the scientific method could be applied to the elusive phenomena of memory. But what of work on memory before Ebbinghaus? The long ascendance of the Ebbinghaus tradition has eclipsed the contributions of scholars before Ebbinghaus. Memory in Historical Perspective draws together for the first time a collection of writings that figured prominently in scholarly thought about memory from the 8th century B.C. until the scientific investigation of memory began in the late 19th century. Memory in Historical Perspective will be of value to students, researchers, teachers, and writers who wish to place the study of memory in its historical context. The writings are thought provoking; they deal with a wide range of basic issues in memory in a direct and refreshing way. A study of these writings will stimulate insights into current issues about memory in psychology, philosophy, artificial intelligence, anthropology, and education.

Finding Your Voice Jennifer Turner, 2021-08-26 This book invites you to know yourself and enjoy the delight your Creator has in you. By finding your voice, you will be able to engage more confidently in the life that lies ahead of you and welcome generous relationships with those who share the journey with you. So whether you are just starting out on life or sensing a later change of direction, you are encouraged to explore your creation and spiritual gifts and make your contribution around the table of leadership, participating fully in joining your voice to the conversation. The God who created you and now redeems you purposefully gifted you that voice and invites you to uncover it and offer it to the world in service as well as in self-expression. From her own lifetime of discovery, the author shares many stories of her journey and tackles some of the obstacles that are more acute for women on the way to finding their voice. But because we all need people around us understanding and encouraging us, the hope is that men will read these pages too in the spirit of HeForShe and so offer women their wholehearted support.

Finding Joy Jill Briscoe, 2003 A Note from Jill Briscoe Dear Friends, Years ago a young man we met on the streets of Europe found Christ. A few months later he stood up to testify to his newfound faith. I've been running away from God for years, he said, but I've discovered He has longer legs than I have. I married the thought to these words: Sorrow would bury us. Because sorrow is the undertaker, Joy is Jesus. Jesus is the overtaker. Who overtakes the undertaker. And dresses our spirit in a

garment of praise Joy is Jesus God in Galilean cloth Touching our lives Offering us life And making our hearts smile Don't try to run away From the Lord Remember He has longer legs than you have If joy is Jesus then it follows that the better you know Him the more joy you will experience Joy is as someone has said the infallible evidence of the presence of God So when the wind blows and the dark night begins joy never stops being joy Stay close make sure there is nothing between you and your Savior and your soul will survive the thunderclouds Since this book focuses on joy I thought an acrostic might help us further think about joy in our own lives J is for justification That means God makes me just as if I'd never sinned Now there's a cause for joy O is for ordinary Ordinary people can experience joy It is not just for the super shiny saints we see around the Christian scene He wants everyone's soul to tap dance Y is for young Joy keeps our souls young It doesn't matter how old we are in years joy is the secret to happiness When heaven comes down and invades our souls in the shape of Jesus joy will not be denied I remember sitting alone by a fire in a small cottage in England My husband had just left for three months work and my dad had been diagnosed with cancer Our daughter had fallen off a donkey and broken her arm and I'd gotten the mumps from our kids I was trying to feel sorry for myself but I couldn't There was far too much joy enlightening my heart Jesus was there he came near and promised never to leave me nor forsake me Oh joy May you know Him in all His fullness of joy EnJOY this book Jill Briscoe For more information about Just Between Us resources visit this page [Nicene and Post-Nicene Fathers](#) Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume I of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover some of the writings of Saint Augustine recognized as a great religious figure by many Christian sects He is the patron of the Augustinian monks who live their lives according to the values found in Augustines writings In the Confessions Augustine speaks honestly about his sins as a youth and the saving grace he discovered when he found God In the Letters the true personality of Augustine shines through He is one of the major theological resources of his time and so through his correspondences audiences can see what issues plagued the newly unified Christian religion and come to know the man who helped shape Western religion as we know it *Psalms, Proverbs* Mark Futato, George M.
