How to homeschool the kids you have: Advice from the kitchen table Courtney Ostaff, Jenn Naughton, Drew Campbell, 2022-12-09 In *How to Homeschool the Kids You Have* three veteran home educators lead you through the process of creating a custom educational plan that works for your family's unique situation and your children's needs. You'll identify your own educational priorities and learn how to translate them into a strong academic program. You'll also learn about what science tells us about how humans especially young humans learn and why that information is crucial for the success of your homeschooling plans. Along the way the authors share their own experiences and those of other homeschoolers to help you avoid pitfalls so you can provide your children with the excellent education that is their birthright. **Phonics & Spelling 1** Te Various, Saxpub, 2005-12-01 **Phonics 1** Lorna Simmons, 1753, 2000-05 Teacher manual provides directions lesson scripts and preparation instructions.
