of Federal Regulations of the United States of America ,1939 *The Godwynne Mutiny* Jerri O'Powell,2019-11-01 As the deep sea once gave rise to pirates so also did deep space The crew of The Twenty Wun Stars is one such group of opportunistic souls This exceptional group of serendipitous star faring fortune hunters find themselves under the leadership of Captain Jake Wade The swaggering mojo at which this man moves thru life is literally infectious The Captain and the crew travel the galaxy always on the lookout for their next big score to keep both the ship rum taps running This is the first instance where the crew of the Twenty Wun Stars is introduced as they cross paths with two characters from the I AM Andrean series The Godwynne Mutiny There was this one time when the crew picked up two stowaways a rather brilliant average looking bloke named Godwynne and his rather exceptional looking lady friend Miss Becka Miss Becka was a pretty enough looking lass but she was a good head taller than her friends and he was at least 6 feet tall She was a big gal as strong as she was big if not more so She had to be every bit of 300 pound and 6 and a half feet tall If that weren t enough to stand out she also possessed a pair of breasts that entered the room before she did Mister Godwynne was a brainy sort but not the scaredy nerdy kind He had a mouth on him that even as smooth talking as he was would have got him bopped if Miss weren t at his side as she almost always was Miss Becka won t no regular woman I saw her take a straight cyborg arm jaw punch from Miss Iron Kelly and not even shift her stance The ancient earth poets Wu Tang said it first but Miss Becka won t nothin ta fuck wit Like I said Mister Godwynne was a brainy sort He dropped this 2 billion credit score in the lap of the captain and they moved up the food chain I wish I could say it went off without a hitch but the gig turned sideways shots were fired and new enemies were made Things got a little uneasy after that and I saw something I thought I would never see a mutiny My Name is Uncle Dave that s what the crew calls me anyway We are a ship of fortune at best and a pirate ship on our worst days and this is the tale of the Godwynne Mutiny Over three thousand years after the final battle over the soul mankind between God Satan and Nefarious destroys the earth a new chapter begins The resulting hyperspace blast from the earth s destruction flings the last of humanity into the furthest reaches of space on their surviving starships Over a 300 years passes before these star cast seeds of mankind reclaim the stars and begin to find each other The first of the new worlds to find each other and reconnect old humanity on new worlds would eventually form The Confederation of Republic Worlds This union would be marked with the erection of the Jara Timekeeping Tower on Jara Prime broadcasting a synced time throughout the known universe This is the Jara Era **Violations of Free Speech and Rights of Labor** United States.
