Pricing: The key to profitability Nicolás Restrepo Abad, 2025-05-19 There is a short questionnaire used to determine whether a company needs help with its pricing strategy Curiously every company that has completed it has answered yes to at least one of the questions Is your company in the middle of a price war Do you feel your customers only buy when your products or services are on promotion Do you set prices based solely on your costs and your competitors prices Do you feel like a victim of tough customers who always want to negotiate better prices and discounts Do you feel you re failing to capture the full value your products or services offer In Pricing The key to profitability the concepts needed to design and implement a complete profit focused pricing strategy are presented in a clear and practical way Each topic is explained through real world examples of companies selling both products and services in consumer and industrial markets alike Nicol s Restrepo has succeeded with this book in presenting price from a strategic and marketing oriented perspective very different from the traditional cost based approach Entrepreneurs executives and marketing students will find in these pages the key to managing price as an active component of business strategy rather than as a last minute commercial tactic Nicol s Restrepo Abad holds an MBA from IE Business School He is currently the President and founding partner of prexus pricing solutions a company dedicated to providing pricing strategy consulting services to large corporations His professional experience also includes roles in fast moving consumer goods Procter Gamble and telecommunications services Orbitel He has served as a pricing strategy professor in graduate programs at several business schools and has been a guest speaker at pricing seminars in major cities across Latin America

The Cost of Living B. J. Evans, 2005-07 Brad the novel s main character is awakened from his life long stupor with a fierce desire to change his mask or rather to find his real self hidden

behind the layers of adopted morality education and social obligations He used to be quiet and patient believing that good will over come evil For years he has taken abuse from people he felt obligated to please but he is finally awoken and ready to take control of his life To do so he sacrifices his wife career and wealth The conflict within Brad is not only that of good v evil but mostly that of thought v emotion or more simplistically brain v heart When he sees his awakened raged mirrored in random thoughts he now becomes aware Brad discovers that Life gives you choices but the choices that you make do not confirm who you are In fact once his new self begins to emerge Brad loses interest in pleasing other people Hate lust and angry seemed to consume his mind and all he wants is redemption for the turmoil he believes that other people have caused him However Brad s abandonment of his old habits has more to do with his desire to find his real identity So who is Brad really
