Watching Elijah Fall Amy Spector:

Cold Fingers Amy Spector,2021-07-14 Christopher Minnick is at a bad place in his life Turning thirty and newly out of the hospital the last thing he wants to do is attend a birthday dinner even one thrown in his honor When he is introduced to a friend s godson things just might be starting to look up Or are they Victor Polidori seems like the perfect man He s clever attractive and interested But even as Christopher finds himself falling in love there are some things that just don t add up And when bodies start disappearing Christopher knows he must get to the bottom of it Will Christopher find his happily ever after or is it true what they say All the good ones are either married or straight Or they re necrophiliacs *Pretty Plastic*

Amy Spector,2021-08-14 Three months after his run in with the vampire Marcus Gr sson Christopher s ankle has healed but his life is anything but perfect There are people watching the house Flora s worried about the scarecrow And after an unexpected tragedy strikes Christopher will need to figure out how to deal with the loss without tearing a rift between his brother and himself When Victor accepts a job with Pretty a prestigious private hospital to work alongside the handsome Austen Poole Christopher ends up with one more thing to worry about While it might seem like a dream job there s something not quite right in paradise and when Vic starts acting strangely Christopher will stop at nothing to get his man back When striving for perfection you sometimes need to get your hands a little dirty The Whiskey Den Amy

Spector,2021-11-06 Bad things happen for a reason Adam Neive s expiration date is closer than he would like and it s only a matter of time before he loses his position as a Ganymede counter boy When a friend helps him secure a part time job at a whiskey bar his only thought is to escape the looming shadow of the brothels He never expected another run in with the witch Sebastian Fourteen months after being booted from his coven Sebastian has become convinced his brother s death is connected to the wolves of The Whiskey Den He just needs Adam s help to discover how But things are not always as they seem and justice is more elusive than expected When an announcement from the House of Witches changes everything Adam will need to choose between life within the safety of the king s Monastery and the uncertainty of the city While Sebastian will have to decide if his family s honor and the life he thought he had lost forever is worth more than the life he s only begun to realize he wants

Body of Work Amy Spector,2021-07-24 Life with Vic isn t exactly what Christopher Minnick was expecting His boyfriend has given him a new lease on life literally but he doesn t have a job Jessie thinks he s a ghost and there are only so many closets on hand for shoving Jonathan into Now with Lee back in the limelight things just might become more than Christopher can handle Lee Hellstrom is hitting the big screen after more than three decades and with the much younger Grant Cooper at his side on the red carpet he plans to make a lasting impression The only problem is that not all the attention Lee has drawn is good When Lee goes missing it s up to Christopher Vic and Grant to save the old man from a most horrible of fates Christopher s life may not have been perfect but his death is a pain in the ass *Club 669* Amy

Spector,2021-05-12 Witch s corpse Witch s ticket Witch s party As a counter boy at a high end men s boutique Charlie Jessup

s life consists of little more than work and sleep That and enough flirting to help guarantee his commission on sales will pay his rent So when a twist of fate and some behavior unbecoming that of a Ganymede employee leaves him in possession of a dead man s pass to a mysterious Club 669 Charlie has no desire to waste it Every seventeen years the House of Witches throws a party like no other It s invitation only and for centuries it has helped ensure peace between the covens It s the last place Caspian wants to be but with the death of Queen Avel and his own imminent rise to the throne it s more important than ever that he attends The stability of the House depends on it In four days a new king will be crowned but when Charlie unintentionally crashes a gathering of the most secretive of all the Great Houses he sets in motion a series of events that could disrupt the transition of power and threaten the future of the House of Witches forever *Mojo* ,2007
