J. Ellsworth Kalas, 2010-09-01 In the case of this book I can tell you not only when it came to birth but also where It was in a quite modest kitchen at 1506 Center Street in Sioux City Iowa over a period of years in the late 1930s On a shelf in that kitchen just above the stove was a box of cards each measuring roughly one by three inches each one containing a verse from the Bible The box was popularly referred to as precious promises I don't know if that was the name the publisher gave to the collection or if it was the title earnest Christians had given to such verses long before an enterprising publisher organized a specific collection into printed form I only know how sacred and beloved the box was to my mother and to untold thousands of other persons at that time The verses covered a wide area of biblical teaching Many had a quality of admonition and instruction but the overall mood was one of encouragement Those who kept such a box in easy reach were sustained by the contents Some verses took on such personal significance that they were laid aside on top of the box or beside it to be looked at more often Mind you the owner of the box knew such verses by heart but there was a peculiar strength in looking at the printed form and holding it in one's hand And I might add that by the time she took her promise for the day she would already have prayed on her knees and have read a longer portion from the Bible I revered those promises because they meant so much to my parents especially my mother and because on several occasions I had seen how uniquely appropriate a particular verse proved to be at a particular time That Center Street box has now been lost for half a century or more so I can't promise that the verses I embrace in this book were all in that box The Bible verses I've included in this book are verses that have blessed me over the years and I dare to believe that some or all of them will give a lift or a thought to you Some have become significant to me in times of pain some in joy When you read this book I'm very sure you will think of a verse that is priceless to you and you'll wonder why it's not in this book The verse may mean so much to you that perhaps you will reprimand me even if kindly for not including it If you do I'll understand I'll just know that whether or not you've ever seen a box of precious promises you have discovered that there are promises that keep us And I will thank God with you that you have found it to be so J Ellsworth Kalas adapted from the foreword This book will contain a discussion guide The Christian Library, 1836 *Seeing God* David Nelmes, 2011-08-11 Is God a God of love or a God of fear I believe God is a God of love so this book was written to clearly show that God is a God of love and that He does not teach through fear or use fear in any way The ancient angry jealous and fearful God depicted in many writings does not reflect his true image God is a God of peace God is a God of harmony God is a God of everlasting joy *Things to Do Before Seeing God* Dr. Brenda

Kendrick,2025-04-29 This manuscript was almost completed when my granddaughter was killed in an automobile accident wherein the car she was driving was hit head on by a distracted driver During the grief process I was forced to rethink what death requires as the soul leaves the body I revisited the Things to Do Before Seeing God and realized they were still intact They are total truths Rather than changing anything in the body of this book I added the preface titled Scarlett s Soul in her memory These things can help you realize the beauty of life as you discover how to securely take care of your soul for the time when it leaves your earthly body This book is not a sad book of doom and gloom and is an easy yet thought provoking reading It covers topics such as courage in grief soul care forgiveness and being forgiven mental health showing some signs of life wedding estate planning and how to discover and implement purposeful daily living tactics Living on earth requires courage and a higher power in order to have happiness in the human body We must be tutored by the Holy Spirit as we secure the joys of heaven through peace with God and faith in the Lord Jesus Christ Remember your soul is a beautiful thing and worth protecting *Meditations and Encouragement for the Caregiver of a Loved One with Dementia* Barbara

Hinther,2019-05-15 During my last few years caring for my husband with Lewy body dementia I found lots of medical and psychological information about his disease and other brain dementia disorders but very little to give hope comfort and strength for the caregiver This little book is to provide you some of this as you enter the dark night of the soul My hope is to provide a glimmer of peace and comfort during this dementia trialand it is a trial Until there is a cure my prayers and comfort are yours through this little book **The Christian Library** Jonathan Going,1836 **Let God Use You to Solve**

Your PROBLEMS Edward D. Andrews,2018-03-22 In a world fraught with challenges and uncertainty faith remains our most enduring beacon of hope Let God Use You to Solve Your Problems God Will Instruct You and Teach You in the Way You Should Go offers a unique exploration of how a steadfast reliance on God s wisdom coupled with an active role in our own spiritual development can serve as a roadmap to navigating life s complexities This book provides an enlightening journey into a deeper understanding of God s role in our lives not as a miracle worker performing supernatural acts on demand but as a divine guide illuminating our path through the teachings of Scripture and personal experiences It shows how by letting go and trusting in God we can find the strength courage and wisdom to confront and overcome our problems The author a conservative Bible scholar encourages readers to actively engage with their faith teaching how God instructs us through His Word life experiences and our own spiritual growth Throughout the chapters readers will learn the art of biblical discernment nurturing spiritual growth embracing patience in God s timing and turning trials into triumphs through God s guidance This book ultimately underscores the importance of personal responsibility in a faithful Christian life It provides a nuanced and balanced understanding of faith that inspires action and involvement in our communities allowing us to serve God and others while becoming reflections of God s love Let God Use You to Solve Your Problems is more than a book it s a spiritual guide for those seeking to blend trust in divine wisdom with personal initiative creating a life that is not just

endured but lived fully and meaningfully in God's light

When All You Have is Faith Ashea S. West MD, 2023-10-04

When All You Have is Faith depicts a roller coaster ride of emotions as Ashea West navigates college medical school grief and financial hardship. It's a story about her dream to become a doctor that started with just a little faith in God, no plan B, and an empty bank account. At each roadblock, she watches as God shows her unmerited favor when she was about to give up and throw in the towel. Dr. West speaks about failures, doubts, successes, and the other side of medicine that we don't always get to see. Her aim is to challenge others not to be afraid of starting their own journeys. At the end of her book, there is a hidden journal for readers to record their own testimonies and experiences in hopes that by sharing their story, others will come to know Christ better.

#OrganicJesus Scott

Douglas, 2016-06-08. If Generation Next is supposed to question everything and trust no one, where does faith fit in? Consumers demand that their food be pesticide-free, their cosmetics and shampoo be paraben-free, and that everything possible from clothes to toilet paper be made without additives or chemicals. But there's nothing that has more additives to the original product than Christianity. How do we get back to the 100% organic version of Jesus? In his personal search for the organic Jesus, Scott Douglas goes on a funny, thought-provoking romp through the foundations of belief. Christianity, he says, has become a simulacrum, a bloated, overprocessed image that lacks the true substance of the real thing. His search for the original took him far and wide through historical Christ figures, urban legends, odd facts about the faith, freakishly flawed Christians, and the Internet. Using relatable, contemporary anecdotes and unlikely wisdom concealed within humor, Douglas reveals a way back to the authentic essence of following Christ. By including wiki breaks, social media callouts, quizzes, charts, and more, OrganicJesus is ideal for readers raised on social media who can't step out of their house without tweeting about it or eat lunch without posting on Instagram. Douglas is careful to be as non-biased as possible, writing not for any particular agenda, political or otherwise, but instead encouraging readers to seek their own path for spiritual renewal. The result is a candid look at modern Christianity that will challenge savvy young Christians to put as much effort into discovering sustainable religion as they do in their pursuit of an organic marketplace.
