The Mr Salles Guide to Awesome Story Writing Lee Simpson, Nichola Brookbanks-Parry, Dominic Salles, 2019-03-17
So 500 000 English students a year are examined on how to write a short story Well this should be brilliant because being able to write a short story is an art a gift a talent that will last long after the GCSE is replaced by who knows what And do the exam boards give us examples of how to write them Well I couldn't find any that my students could write in 45 minutes and still get top marks Seriously not one So I wrote some And then some more It was more than fun it was playful and I felt I know we're English and I'm not supposed to talk about feelings a sense of joy I was already an author but now I was becoming a proper writer And here they are over 20 short stories which will teach you to become a writer Oh and yes how to get the top grades in an exam Then I asked my friend Lee another teacher and a writer if he could help me out so you now have a collection of stories which are awesome Some of them show you how to get a grade 5 or 6 because you aren't all ready for grade 7 8 and 9 But follow the tips in this book and you will be Because after every story I show you 10 15 skills in the story They'll train you to be a writer And it's OK if you don't want to be brilliant at writing stories you just want to pass the exam Because you can just remember a couple and reproduce them in the exam Yes really That's totally ok and legal And you'll find your brain changes them anyway as you write because that's what brains do So if you feel the exam grind has drained all the creativity out of education I've got the cure Try it *Story Writing* Philip Bowditch, 1997-03-01
