If you make a mistake, error, doodle, etc., during the re-writing of this essay you will need to start over again on a new piece of paper. Do not forget the proper heading (Full Name, Date, Period). I am copying this essay because I made a choice. I am copying this essay because I made a choice. I am copying this essay because I made a choice. I make choices every day and these choices have consequences. Good choices have good consequences. Bad choices have bad consequences.

I will choose not to talk in class. I will choose not to throw things in class. I will choose not to make noises in class that disturb others around me. I will choose to hold my head up, and will choose to sit up and follow the instruction my teacher gives. I will choose to arrive in class with paper, binder, and a pen that can be used in class. When I enter the classroom, I will choose to quickly and quietly sit in my assigned seat and begin working on the assignment given. I will choose to use appropriate language at all times. I will choose to not fight or pretend to fight. I will choose to not speak or make other sounds while others are speaking. I will choose to not talk back to my teacher. I will choose to be respectful at all times to the La Sierra Junior High Academy teachers, custodians, administrators, security personnel, and students.

When I entered Mr. Carreon's classroom, I was given a list of procedures and expectations. I signed a syllabus agreeing that I will practice these behaviors at all times. I am in junior high school and am able to understand what appropriate behavior means.

I understand what I am supposed to do in my class. I know and understand what is meant by appropriate behavior. I chose not to practice appropriate behavior. Because of my choice to refuse to practice appropriate behavior I am now writing this discipline essay. This is a choice I made when I decided not to follow procedures and expectations in Mr. Carreón's class.

By choosing to refuse to follow procedures and expectations I am keeping other students from learning. By choosing not to follow procedures and expectations I am keeping myself from learning what I need to know to successfully pass my English class and graduate from junior high.
