Stuck With You:

Safe Jennifer Snyder, Mistaken for something I never knew existed and abducted I m tossed into the shifter world where I m forced to trust strangers to survive I ve had to work hard for everything I have I wasn t given a silver spoon and I don t have a picture perfect family Heck it s been years since I last spoke to anyone in my family Which is why when a late night delivery order takes a turn for the worst I know it will be forever before anyone notices I m missing I know I ll have to save myself There s only one thing tripping me up My captors aren t entirely human but as it turns out neither am I Soon I learn I m a Mystic and the people who captured me are vampire bats Their leader plans to force me to heal sick and wounded shifters while lining his pockets with the money Just when all feels lost an opportunity for escape presents itself Now I m on the run but my horrible luck continues I find myself stranded in an unfamiliar town accepting help from unfamiliar faces one of whom I feel a certain chemistry toward For the first time in days I feel safe but as night falls that sense of safety becomes fleeting because I know the bats will come for me This YA Paranormal Romance includes a strong female lead a protective raven creepy vampire bat shifters suspense and a slow burn romance that will keep you hooked Jakarta Peter M.G. Johnston,2024-04-26 Army Intelligence Captain Jack Smyth received a dear John letter from his wife that she was leaving him for another man His main concern was for his six year old daughter Samantha so he immediately left his post for Australia to sort out the mess Whilst in Australia Captain Smyth attended a seminar on The Tribal Warriors and was surprised to see the main speaker as Major Brett Shaw who was his leader whilst serving in Afghanistan This then led to his meeting of Elizabeth Shaw Brett s sister and this changed his life forever Whilst visiting Jakarta in Indonesia on behalf of the government Jack was kidnapped and brutally treated by a communist cell The story takes you on a journey through the darkest reaches of Indonesia with Jack held captive in a remote mountainous area by a hillside tribe His love for Liz never faded throughout this ordeal however Liz was reunited with an old flame thinking Jack was never to be seen again Liz and Jack s paths cross throughout the story but circumstances keep them apart time and time again *Hot Number* Sheridan Smythe,2008-03-07 Jackpot No one had needed to win the lottery more than Ashley Kavanagh and she planned to enjoy every penny of her unexpected windfall starting with a seven day cruise to the Caribbean But it wasn t until a ship mix up paired her with her ex husband that things really started to heat up She knew she was better off without Michael s womanizing ways but constant exposure to his well muscled chest and to die for lips left her feeling the burn Michael Kavanagh had hoped this cruise would help him relax but when he walked in on his nearly naked ex wife everything suddenly became uncomfortably tight Sharing a cabin with Ashley certainly wouldn t be smooth sailing she acted as if she d much rather throw him overboard than listen to the truth about what happened two years ago but deep in his heart Michael knew love would be their lifesaver **Tale of Love** Rodrigus wright,2018-09-27 Introduction Hello my name is Stephan wright and here is my description of my book the poems are about how the young man was how expressing how faithful he was to another woman but didn t want to have sex

with her The young man wanted to do something different to show how he felt so he wrote poems to her about love sex and God **Billboard** ,1986-10-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard ,1986-10-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **How to be More in Tune with The Feelings of Your Customers** Sam Amoo,2022-11-21 Emotional Intelligence is a Powerful Tool That Can Help You Get More Customers Increase Sales Make Better Decisions and Build Better Relationships The Simple Techniques for Increasing Sales Customer Loyalty and Retention What if you could learn to use your emotions to your advantage What if you could increase your emotional intelligence so that you could make better decisions and build stronger relationships If you want to become more successful happier healthier wealthier and more influential this is the book for you It s easy to ignore the needs of your customers but ignoring their feelings doesn t work If you want to truly understand how to be more in tune with the feelings of your customers then it s time to look at the science of Emotional Intelligence One of the biggest challenges that sales teams face in today s complex 24 7 world is managing customer expectations Many companies are turning to emotional intelligence tools to help them become more in tune with their customers and increase the likelihood of customer retention which is their ultimate sales machine According to some of the best salespeople in history the secret to successful ninja selling is knowing what your customer is feeling The trick to selling like crazy is not necessarily in what you are saying but how you are saying it and the emotion you convey with your words If you want to be a better salesperson that sell like titans you need to know how to connect emotionally with your customer To be able to connect emotionally with your customers is not something that happens overnight You need to develop emotional intelligence over time through learning experiences This book will help you understand how you can use your emotions to pitch anything connect emotionally with your customers and improve your sales like a ninja marketer In today s world we need to understand human emotions We need to amp it up to connect emotionally with our customers prospects employees and other people And that means tapping into our feelings and understanding their needs If you want to make your company the most profitable it can be you need to understand the way your customers think and feel about your brand You need to know their hopes and dreams and what they re looking for and then figure out how to deliver on those expectations in ways that will inspire them to buy more of your product or service So often I ve seen that people have very good business ideas but when they talk to potential customers about it they seem to be very disconnected from their customer s emotions If you re not taking the time to listen to what your customers are telling you about their pain points and their needs you re missing out on

one of the biggest opportunities to increase your sales customer retention and customer loyalty But to do that you need to know what emotions are going on inside your customers Emotional intelligence the ability to identify manage and communicate the emotions of your customers employees and stakeholders is what differentiates great organizations from average ones Emotional Intelligence is the Key to Unlocking the Power of Positive Customer Experience In fact the best companies are actually measuring their customers emotional state and are using that information to make more informed decisions about their products and services Learn how to use emotional intelligence to increase sales customer loyalty and retention and how to make the best impression on customers This book will change the way you think about marketing like a ninja Click The Buy Button Now [Aida's Hope](#) Chera Carmichael, Sold to creature hunters by her new foster family Aida seizes the first chance at escape when stealing her new little sister Keely She knows nothing about her creature roots but a caged life is too much to bear Rushing along the water's edge she stumbles into their unlikely rescuers in the strangest way The water holds secrets but maybe some of them should've stayed buried Giving into her Mallow instincts might help but will she sink or swim **Billboard**, 1986-10-25 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Home Leigh M. Lorian, 2019-09-07 The Interplanetary Guild of Human Affairs sends out dozens of delegations to planets all around the galaxy Four of the Guild's employees Star Nate Fara and Josh grew close on one such delegation and over the course of five years on assignment developed a comfortable happy relationship Then the assignment ends the group returns to the new human homeworld Reyhan where they receive new orders For the first time in years they are going to be separated Between the far flung locations and length of assignments there is no way to know when they'll be together again But Star is not one to simply take what the world throws at them As a respected bodyguard and security officer Star's existence revolves around protecting precious things Nothing in the galaxy is more precious than their partners happiness With countless variables to consider and dozens of ways it could all fall apart will it be possible for the group to stay together

Broken Brains Jamila Rizvi, Rosie Waterland, 2025-05-06 At the age of 31 Jamila Rizvi was diagnosed with a rare brain tumour When she shared her diagnosis with loved ones good friend Rosie Waterland proposed the tumour eventually be named Jam's Jerky and kept on display in a jar While this sensitive proposal was politely declined there was a reason Jamila had turned to Rosie for support Rosie knows what it's like to live with a broken brain After a childhood of abuse and neglect she had been dealing with significant trauma symptoms for years Jamila and Rosie soon discovered their broken brains had more in common than they could ever have imagined In this brave and honest book they share their parallel experiences of being sick alongside the advice of those who've been there before Broken Brains offers exactly what both Jamila and Rosie wish they'd had at the height of their illnesses comfort solidarity and understanding Sometimes funny sometimes brutal this

Fatal Pauses Stuart C. Yudofsky, 2015-04-01 People can become stuck in many ways and for a wide variety of reasons explains the author of Fatal Pauses that rare book that both clinicians and general readers can benefit from and enjoy Novelistic in its depictions of composite patients but clear eyed in its analysis the book offers a 3 D method of addressing stuck ness which is defined as not stopping something that is bad for us or not starting and staying with something that is good for us The process of discovering why one is stuck deciding to become unstuck and then asserting the discipline required to do so is brought to vivid life by one of the most respected psychiatrists of our day The book s structure is logical and engaging The Am I Stuck Scale can be self administered by general readers or administered by clinicians to their patients This first chapter sets the stage for what follows The 3 D method of getting unstuck is presented in a systematic easy to comprehend manner that begins with a brief overview and proceeds to more detailed instructions and insights Riveting case examples make up the heart of the book They are not mere summaries but consist of thorough and detailed clinical descriptions that provide context in addition to extensive dialogue and analysis Several of these cases are divided into multiple chapters providing a comprehensive clinical picture to help both mental health professionals and lay readers increase their understanding of being stuck A range of categories or stuck ness is addressed including being trapped by career choices limited by obesity paralyzed by an unsatisfying marriage incapacitated by addiction and imprisoned by the need to please Of special note is the case example of a young man whose interpersonal relationships have gradually but progressively become reduced to computer based encounters The author s examination of this individual s fixation on video games and virtual realities and his escape from this cyberprison through treatment is both timely and compelling Finally the author provides an evolutionary and neurobiological overview of how we become stuck which helps the reader grasp the underpinnings of this behavior and learn how to become unstuck Written in a warm and disarming style Fatal Pauses will find a home in clinicians libraries waiting rooms and on family room bookshelves
