populism encourages an empty wish to express a unified popular will beyond the mediating institutions of government at worst it has been described as an antidemocratic temperament prone to fomenting backlash against elites and marginalized groups Populism's Power argues that such routine dismissals of populism reinforce liberalism as the end of democracy Yet as long as democracy remains true to its meaning that is rule by the people democratic theorists and activists must be able to give an account of the people as collective actors Without such an account of the people's power democracy's future seems fixed by the institutions of today's neoliberal managerial states and not by the always changing demographics of those who live within and across their borders Laura Grattan looks at how populism cultivates the aspirations of ordinary people to exercise power over their everyday lives and their collective fate In evaluating competing theories of populism she looks at a range of populist moments from cultural phenomena such as the Chevrolet ad campaign for Our Country Our Truck to the music of Leonard Cohen and historical and contemporary populist movements including nineteenth century Populism the Tea Party broad based community organizing and Occupy Wall Street While she ultimately expresses ambivalence about both populism and democracy she reopens the idea that grassroots movements like the insurgent farmers and laborers New Deal agitators and Civil Rights and New Left actors of US history can play a key role in democratizing power and politics in America *Subject Guide to Books in Print*, 1983 *New Trucks Prices and Reviews* Edmund's Staff, 1999-11 This buyer's guide includes MSRP and dealer invoice prices and reviews for vans pickups and sports utilities as well as standard and optional equipment specifications and reviews and buying and leasing advice A toll free truck buying service is also offered
