plenty of material in the book to customize and adapt as Stanionis offers a wealth of sample emails from diverse organizations And taking it a step further in the Resources section of the book the author shows you how to identify just the help you might need a messaging vendor who can send your emails for example Other books talk about Internet fundraising which usually encompasses e commerce strategies such as online shopping malls and auctions That s all well and good but many of us want to know one simple thing how can we raise more money with email And do it now Raising Thousands if Not Tens of Thousands of Dollars with Email puts that question to rest
