Raines,2010 This volume provides an account of how Army logistics affected ground operations during the Grenada intervention and how combat influenced logistical performance from Foreword *2010 Jeep Patriot Owner Manual Compatible with OEM Owner's Manual, Factory Glovebox Book* Helming,2010-02-12 *On to Victory* Mark Zuehlke,2010 The eighth Canadian Battle Series volume is the little told story of the tense final days of World War II remembered in the Netherlands as the sweetest of springs which saw the country s liberation from German occupation The Liberation Campaign a series of fierce desperate battles during the last three months of the war was bittersweet A nation s freedom was won and the war concluded but these final hostilities cost Canada 6 298 casualties including 1 482 dead With his trademark you are there style that draws upon official records veteran memories and a keen understanding of the combat experience Mark Zuehlke brings to life this concluding chapter in the story of Canada in World War II *My Father's War* Hwang Ha-Yong,2010 **Our Harsh Logic** Breaking the Silence,2012-09-18 Israeli soldiers speak out for the first time about the truth of the Palestinian occupation in one of the most important books on Israel Palestine in this generation The New York Review of Books The very name of the Israel Defense Forces which many Israelis speak of as the most moral army in the world suggests that its primary mission is the defense of the country s territory Indeed both internationally and within Israel support for the occupation of Palestinian territory rests on the belief that the army s actions and presence in the West Bank and Gaza are essentially defensive and responsive aimed at protecting the country from terror But Israeli soldiers themselves tell a profoundly different story In this landmark work which includes hundreds of soldiers testimonies collected over a decade what emerges is a broad policy that is anything but defensive In their own words the soldiers reveal in human and vivid detail how the key planks of the army s ostensibly protective program prevention of terror separation of populations preservation of the fabric of life and law enforcement have in fact served to accelerate acquisition of Palestinian land cripple all normal political and social life and ultimately thwart the possibility of independence The many soldiers who have spoken out have taken aim at a silence of complicity both within Israel and in the wider world that perpetuates the justification for occupation In the process they have created a gripping and immediate record of oppression Powerful and incontrovertible *Our Harsh Logic* is a supremely significant contribution to one of the world s most vexed conflicts *This Is NPR* ,2010-10-27 A celebration of this anniversary milestone featuring both new content and some of the most historic and iconic moments in NPR s first forty years on the air **Striking Back** William T. Bowers,2010-01-29 *Striking Back* Combat in Korea March April 1951 is the second book in a three volume series about the Korean War examining the fighting that occurred during the late winter and early spring of the war s first year By the beginning of March UN forces shifted strategic focus from defense

to offense In April the combination of stabilized fronts and the enemy's failed attacks made conditions ideal for launching combat offensives The brutal nature and strategic significance of these campaigns is described in the book which includes analysis of their profound influence on the remainder of the war William T Bowers provides detailed battle narratives based on eyewitness accounts recorded by Army historians within days of the operations Through his use of personal accounts official records war diaries and combat reports Bowers sheds new light on the conflict in Korea making this volume a must read for military historians
