Copy, Copy, Copy Mark Earls,2015-03-23 THE 1 HACK FOR SMARTER MARKETING We all want new answers and new solutions for the very real and pressing challenges that our organizations face New things to point to and talk about new ways of working and new ways of thinking that might just be better than the old ways But rather than this endless search for

a brilliant and novel solution why don't you just copy something that's worked before Mark Earls leading expert in marketing and consumer behaviour quashes the stigma around copying and shows that it can help us to rethink how we go about solving problems By understanding what other people are doing and the choices they make we can develop strategies to solve the challenges that we face inside and outside the organization Based on extensive research and proven examples Copy Copy Copy provides over 50 strategies that you can use right away to copy borrow or steal as the basis for better ideas faster If it's good enough for Elvis Newton Shakespeare The British Olympic Cycling Team and Great Ormond Street Hospital isn't it good enough for you This delightful book argues convincingly that transferring ideas usually produces greater value than cooking them up from scratch And then shows you how Rory Sutherland Vice Chairman Ogilvy London and the Spectator Magazine's Wikiman Yet another entertaining handbook from the acclaimed Herdmeister for anyone involved in marketing behavioural change and understanding why we all make the choices we make Earls convincingly disrupts convention about what is innovation though praxis This is jammed with great case studies and 52 actionable strategies Stephen Maher Chairman The Marketing Society and CEO MBA Yet again this leading British business thinker has got us to see the world we inhabit today in fresh and mind altering ways A book which marries theory and practice better than the vast majority out there Most of all his message of copying one's way to greatness is entertaining counter intuitive and fun David Abraham CEO Channel 4 PLC

Digital Business Leadership Ralf T. Kreutzer, Tim Neugebauer, Annette Pattloch, 2018-04-27 This book provides specialists and executives with a clear yet practical set of recommendations to meet the challenges of digital transformation and ensure long term success as a leader in a primarily digital business world The authors describe the fundamental principles of digitization and its economic opportunities and risks integrating them into a framework of classic and new management methods The book also explores how increasing digitization not only of communication but of complete value chains has led to a need to establish a digital business leadership Digitization is changing people and markets it causes the upheaval of entire industries creates new digital centric companies and forces established companies to cope with the transformation activities associated with these digitization processes New approaches and methods have to be learned tried and tested patterns of thinking have to be explored and last but not least innovation activities have to be understood as continuous necessities At the same time digital business offers considerable opportunities for renewing competitive advantages improving existing process structures and realigning products services and business models
