

US THEMATIC ESSAY TOPIC #1/20

CHANGE – CONSTITUTIONAL AMENDMENTS

Example 1 – The 13th Amendment (1865) ... read more in Unit 16!

THESES – "One constitutional amendment that had a major impact on U.S. history was the 13th amendment, ratified in 1865."

TASK #1 – The North had initially entered the Civil War with the goal of preserving the Union. President Lincoln's Emancipation Proclamation freed slaves, but only in states that had seceded (left the Union). No longer could human beings be considered property under the 5th amendment as they had been in the Dred Scott decision. The influence of the Abolitionist movement and Uncle Tom's Cabin spread the idea that slavery was morally wrong and evil. The 13th amendment was needed to ban slavery in every state because the Emancipation Proclamation only freed them in some states. It was passed after the Union victory in the war.
(proof)

TASK #2 – The 13th amendment destroyed the slave-based economy in the South. The agricultural South had to find new ways to run plantations. Ex-slaves were forced to enter the sharecropping system. This tied them to the land again by creating a cycle of debt and poverty. African-Americans were free, but were now treated like second-class citizens. Former slaves were treated like peasants.
(proof)

Example 2 – The 18th Amendment (1919) ... read more in Unit 20!

THESES – "One constitutional amendment that had a major impact on U.S. history was the 18th amendment, adopted by Congress in 1919."

TASK #1 – The Women's Christian Temperance Union formed in the late 1800s because many citizens saw alcohol abuse as a major cause of many problems in society, such as poverty and domestic violence against women and children. The temperance movement wanted to ban alcohol consumption (use). Increasing industrialization caused business leaders to support a ban on alcohol because they did not want drunk workers. The W.C.T.U., religious leaders & businessmen pressured the government to ban the sale and consumption of alcohol.
(proof)

TASK #2 – The 18th amendment banned the consumption of alcohol and led to a 14-year period known as prohibition. Many Americans ignored the law and made bathtub gin or attended speakeasies (secret bars). Organized crime increased greatly, like the mafia, which profited from selling illegal alcohol. The 18th amendment was repealed by the 21st amendment, the only time an amendment was overturned. Prohibition proved that social attitudes can make laws very difficult to enforce.
(proof)
