The Legislative Themes of Centralization Jeffrey G. Audirsch, 2014-08-12 The centralization of the cult mandate in Deuteronomy has captivated scholars for over two centuries Related to this mandate are five legislative themes abrogation of

idolatry tithing the Israelite festival calendar judiciary officials and the priesthood Collectively these themes are interwoven into the Deuteronomic social political and religious infrastructure Interpreted through an exilic lens this study examines the themes through the relevant literary strata in the Enneateuch In doing so the themes are identified as playing an instrumental role in the demise of the divided monarchy It is through the demise of the divided monarchy that the book of Deuteronomy especially the centralization mandate takes on a new meaning a utopian desire Thus the rhetorical strategy of centralization once contrived to unify and purify the cult actually leads to failure and serves as motivation for reform during the exilic period

The Conceptual Coherence of the Book of Micah Mignon R. Jacobs, 2001-06-01 This book examines the coherence of the book of Micah by means of analysis of the text's literary structure and conceptuality A two part structure is proposed divided between chs 1-5 and 6-7 each part characterized by a dispute over the fate of Israel The interrelationship of the parts including prophecies of judgment and announcements of promise suggests that the basis of the book's coherence is that Yahweh's justice in judgment and mercy preserving and forgiving the remnant are the significant factors in determining Israel's fate

The Pentateuch Matthew J. M. Coomber, Hugh R. Page Jr., Gale A. Yee, 2016-10-10 This commentary on the Pentateuch excerpted from the Fortress Commentary on the Bible The Old Testament and Apocrypha engages readers in the work of biblical interpretation Contributors from a rich diversity of perspectives connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Genesis through Deuteronomy includes an introduction and commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges The Pentateuch introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation

Invitation to the Torah George Van Pelt Campbell, 2020-07-10 We all love a good story The Torah or Pentateuch is regularly defamed as law Actually it's a saga about our search for happiness and how the God of the Bible fits into it Lacing legal material into narrative punctuated with poetry the Torah contrasts two provocative personalities named Abraham and Moses Fascinating and fickle their adventures portray two visions of approaching God The Torah was written to render a verdict on who is the best model This book demonstrates that Genesis Exodus Leviticus Numbers and Deuteronomy are a unified narrative framed as contrasting biographies proclaiming a coherent message It surveys each book's structure and themes to determine its argument and then articulates the Torah's message for people of all time its vision of human happiness It establishes that the Torah is the core of the Jewish and Christian Bibles and shows how the rest of the Bible elaborates its message Ending with suggestions to help you read it this book is your invitation to the Torah

Old Testament Survey William Sanford LaSor, David Allan Hubbard, Frederic William Bush, 1996-09-03 McKenna and William B Nelson Jr

Genesis Walter Brueggemann, 1982 In his clear and readable style Walter Brueggemann presents Genesis as a single book set within the context of the whole of biblical revelation He sees his task as bringing the text close to the faith and ministry of the church He interprets Genesis as a proclamation of God's decisive dealing with

22 suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative's plot. The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation. Detailed analysis of this transformation process reveals three turning points in Abraham's life. The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives: the formation of plot and the cause and effect structure in narrative discourse. *The Higher Criticism of the Pentateuch* William Henry Green, 1895
