The Yellow Fairy Book:

The Yellow Fairy Book Andrew Lang, 2021-12-02 **The Yellow Fairy Book** Andrew Lang, 2012 It is well for the fairy loving public that Mr Andrew Lang should go bravely on publishing his delightful Red Blue Green and Yellow Fairy Books as if the cry of too many books had never been uttered The juvenile clientele whom he addresses is an ever increasing one and is as many colored as Joseph s or as Parsifal s coat So skilful a caterer as this keen eyed Scotchman is not often found an intellectual gourmand of the first water long since awarded the cordon bleu in the fine art of fairy tales he knows what his public likes the exacting appreciative boy and girl public whose instinctive cleverness tells them what is good and what is not His sympathetic nature makes all children congenial to him and he has remained child enough despite Homeric disquisitions and scientific fads in folk lore to pick out with infallible taste just what they like The Yellow Fairy Book is full of tales from uncouth tongues like Polish Hungarian Russian and Red Indian but also sprinkled with old favorites like Andersen s Tin Soldier and Grimm s Iron Stone A glimpse or two from the fanciful French Cabinet des F es is also to be found in this capital collection which is prefaced by a good natured but sharp tongued stricture on the false position of Mr Laurence Gomme and his rather portentous Folk Lore Society This book is fully illustrated and annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer *The Yellow Fairy Book (Annotated)* Andrew Lang, 2019-07-04 The Editor thinks that children will readily forgive him for publishing another Fairy Book We have had the Blue the Red the Green and here is the Yellow If children are pleased and they are so kind as The Yellow Fairy Book Andrew Lang, 2020-02-25 Andrew Lang and his associates managed to break the stranglehold of the pious sentimentality handed out to children by collecting from all over the world fairy tales of all people and bringing out the volumes we all know and love Kirkus Reviews The fourth installment of Andrew Lang s widely read classics The Yellow Fairy Book has been admired time and time again enchanting readers with its carefully crafted prose and eclectic assortment of fairy tales Originally published in 1894 this collection of celebrated tales has stood the test of time Some of the famous stories included are Thumbelina The Steadfast Tin Soldier Cat and Mouse in Partnership Story of the Emperor s New Clothes The Dragon and His Grandmother The Seven Headed Serpant The Wizard King And many more This beautiful edition comes complete with the original illustrations by Golden Age Illustrator Henry J Ford and is the perfect gift to pass on these timeless classics to the next generation of readers and dreamers The imaginations of children throughout time have been formed and nurtured by stories passed down from generation to generation Of the countless genres of stories fairy tales often conjure the most vivid fantastical worlds and ideas which cultivate creativity and bring elements of magic back into the real world The Fairy Books compiled by famous Scottish novelist and poet Andrew Lang are widely consider among some of the best collections ever compiled **THE YELLOW FAIRY BOOK - An Andrew Lang compilation** Various, 2010-10 There was a time when the president of the Folk Lore Society believed it was not acceptable for the editors of the day Mr

Andrew Lang and Mr Joseph Jacobs to publish fairy books Their reply was that they did not see any harm in it and they were ready to put themselves on their country and be tried by a jury of children As to whether there are really any fairies or not that is a difficult question The Editor never saw any himself but he knew several people who have seen them in the Highlands and heard their music If ever you are in Nether Lochaber go to the Fairy Hill and you may hear the music your self as grown up people have done but you must go on a fine day Again if there are really no fairies why do people believe in them all over the world The ancient Greeks the old Egyptians the Hindus and even the Red Indians and is it likely if there are no fairies that so many different peoples would have seen and heard them This volume contains Russian German French Icelandic Red Indian and other stories The Editor cannot say good bye without advising children as they pursue their studies to read The Rose and the Ring by the late Mr Thackeray He believes this book is quite indispensable in every child s library and parents should be urged to purchase it at the first opportunity as without it no education is complete not to mention the benefit an ill child at the Great Ormond Street Children s Hospital will derive from it both literally and financially This book has been especially re published to raise funds for The Great Ormond Street Hospital Children s Charity By buying this book you will be donating to this great charity that does so much good for ill children and which also enables families to stay together in times of crisis And what better way to help children than to buy a book of fairy tales Some have not been seen in print or heard for over a century 33% of the Publisher s profit from the sale of this book will be donated to the GOSH Children s Charity YESTERDAYS BOOKS for TODAYS CHARITIES

The Yellow Fairy Book Andrew Lang,2021-04-13 Published in 1894 The Yellow Fairy Book is the fourth installment in the series of fairytale collections known as Andrew Lang s Coloured Fairy Books and is comprised of stories collected from various foreign language sources including French German English Scottish Russian and Polish Moreover the tales not only intend to

entertain but also offer an underlying didactic purpose as many of the stories place an important emphasis on righteous behavior. Featuring 48 stories, *The Yellow Fairy Book* includes a number of well-known tales from renowned storytellers Hans Christian Andersen and the Brothers Grimm, which may just ring a bell with titles including *Thumbelina* and *Story of the Emperor's New Clothes*. A dynamic combination of royalty, dragons, witches, a range of animals, and an unlimited supply of danger and obstacles, the compilation does not cease to amaze with its rich variety of fairy tales. Needless to say, it is a timeless piece guaranteed to enthrall both young and old readers for years to come.

The Yellow Fairy Book (Classic Reprint) Andrew Lang, 2017-10-12. Excerpt from *The Yellow Fairy Book*. The Editor thinks that children will readily forgive him for publishing another *Fairy Book*. We have had the Blue, the Red, the Green, and here is the Yellow. If children are pleased and they are so kind as to say that they are pleased, the Editor does not care very much for what other people may say. Now there is one gentleman who seems to think that it is not

quite right to print so many fairy tales with pictures and to publish them in red and blue covers He is named Mr G Laurence Gomme and he is president of a learned body called the Folk Lore Society Once a year he makes his address to his subjects of whom the Editorie one and Mr Joseph Jacobs who has published many delightful fairy tales with pretty pictures 1 is another Fancy then the dismay of Mr Jacobs and of the Editor when they heard their president say that he did not think it very nice in them to publish fairy books above all red green and blue fairy books They said that they did not see any harm in it and they were ready to put themselves on their country and be tried by a jury of children And indeed they still see no harm in what they have done nay like Father William in the poem they are ready to do it again and again About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Andrew,2017-04-08 Its initial printing was 15 000 copies The Yellow Fairy Book is a collection of tales from all over the world It features many tales from Hans Christian Andersen **The Yellow Fairy Book** Andrew Lang,1897 *The Yellow Fairy Book* Andrew Lang,2015-03-28 Support Struggle for Public Domain like and share [http facebook.com/BookLiberationFront](http://facebook.com/BookLiberationFront) knows several people who have seen them in the Highlands and heard their music If ever you are in Nether Lochaber go to the Fairy Hill and you may hear the music yourself as grown up people have done but you must goon a fine day Again if there are really no fairies why do people believe in them all over the world The ancient Greeks believed so did the old Egyptians

and the Hindoos and the Red Indians and is it likely if there are no fairies that so many different peoples would have seen and heard them The Rev Mr Baring Gould saw several fairies when he was a boy and was travelling in the land of the Troubadours For these reasons the Editor thinks that there are certainly fairies but they never do anyone any harm and in England they have been frightened away by smoke and schoolmasters As to Giants they have died out but real Dwarfs are common in the forests of Africa Probably a good many stories not perfectly true have been told about fairies but such stories have also been told about Napoleon Claverhouse Julius Caesar and Joan of Arc all of whom certainly existed A wise child will therefore remember that if he grows up and becomes a member of the Folk Lore Society ALL the tales in this book were not offered to him as absolutely

The Yellow Fairy Book Introduction

In today's digital age, the availability of The Yellow Fairy Book books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Yellow Fairy Book books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Yellow Fairy Book books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Yellow Fairy Book versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Yellow Fairy Book books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Yellow Fairy Book books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Yellow Fairy Book books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Yellow Fairy Book books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Yellow Fairy Book books and manuals for download and embark on your journey of knowledge?
