[Argumentative Writing in a Second Language](#) Alan R. Hirvela,Diane

Belcher,2021-12-13 Argumentative Writing in a Second Language is a collection on teaching argumentative writing offering multiple vantage points drawn from the contributors own teaching and research experiences The value of learning how to compose argumentative texts cannot be overstated and yet very little attention has been allocated to the equally important topic of how argumentation is or can be taught in the L2 context Thus this volume shifts attention to teachers and argumentative writing instruction especially within increasingly common multimodal and digital literacy settings While doing so it provides a comprehensive wide ranging view of the L2 argumentative writing landscape within an instructional lens Part I of the volume is topic oriented and focuses on explorations of important issues and perspectives while Part II features several chapters reporting classroom based studies of a variety of instructional approaches that expand our understanding of how argumentative writing can be taught The book will be of value to pre service and in service teachers in varying instructional contexts as well as teacher educators and L2 writing scholars researchers

The Writing Revolution Judith C. Hochman,Natalie Wexler,2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content

Writing and Power Candace Mitchell,2015-12-03 This book offers a much needed alternative to the more traditional texts used to teach writing instruction Grounded in history the book clarifies changing theoretical and practical approaches to teaching writing critically assessing each approach in relation to the social and political movements of the day both within and beyond the university The author takes us inside the real world of writing instruction not only from the viewpoint of instructor but as seen through the eyes of students struggling to make sense of the expectations of writing class Mitchell emphasizes that writing entails far more than putting words to paper and delves into contextually variable culturally defined expectations that include multiple linguistic forms both oral and written highlighting the complexity of writing s while engaging the reader in lively academic debates about language and society
