TRAMAN In our democratic society government depends on the consent of the governed This important principle means that in the long run the United States government does only what the people want it to do Therefore we can have a Navy only if the people know and understand the importance of the Navy and support it The Navy like the other services depends on this country's citizens for the four key tools of its trade personnel money materials and the authority to carry out its mission As a Navy journalist your main function will be to make the facts about your Navy available to the Navy's three main publics the people at your ship or station Navy people in general and the people of the United States as a whole

The Big Rig Steve Viscelli, 2016-04-12 Long haul trucks have been described as sweatshops on wheels The typical long haul trucker works the equivalent of two full time jobs often for little more than minimum wage But it wasn't always this way Trucking used to be one of the best working class jobs in the United States The Big Rig explains how this massive degradation in the quality of work has occurred and how companies achieve a compliant and dedicated workforce despite it Drawing on more than 100 in depth interviews and years of extensive observation including six months training and working as a long haul trucker Viscelli explains in detail how labor is recruited trained and used in the industry He then shows how

inexperienced workers are convinced to lease a truck and to work as independent contractors He explains how deregulation and collective action by employers transformed trucking s labor markets once dominated by the largest and most powerful union in US history into an important example of the costs of contemporary labor markets for workers and the general public
