Rejected Alpha's mate Mmeso,2022-06-10 I would never accept a mate that murdered her own mother Those were the words of her mate that pierced through her heart shrinking them to nothing To everyone even her own father she is her mother s killer Candles were lighted beautifully scented flowers were well decorated in my house and even ribbons were tied at various places on that day Soft music played on the stereo whilst people drank ate and made merry Sounds of laughter rang and everyone s faces were filled with smiles until tragedy struck like lightning before I could realize what was happening I became the youngest cursed teen werewolf in my pack accused of killing her mother But then I hoped for my eighteenth birthday because it is only then that I would be free to live my life and have my mate but again tragedy came knocking And once again Lily s life turned around *The Alpha and Omega* Oswald Sequeira,2010-05-27 The Alpha and Omega is a book about the truth and nothing but the truth the knowledge about truth which is called Wisdom The book starts from the beginning of time The Alpha and takes the reader on a smooth ride down creation of the Universe then with Historical and Archeological proof down ancient times medieval times to current time From there it transports the reader in to the future where we are going and where we will end The Omega It is a unique bold one of a kind Lone Ranger type of book The author after his encounter with death and subsequent survival from two major illnesses which attacked him together began seeking for the truth of life and after four years of dedicated research found it in the sacred books of the four major religions of the world the Bible of Christians the Torah of the Jews the Koran of the Muslims and the Bagavat Gita of the Indian Hindus The truth shocked yet consoled him when he understood that the these warring religions are but the four rooms of one single house built on one single foundation yet blocked out from each other Whose builder is the single central figure who is also the Corner Stone He was disappointed to note that the leaders of these religions are aware of this fact yet are misguiding their followers keeping them in darkness to keep them trapped under their own religious banner for ever although it is creating so much of unnecessary chaos in this world This is the purpose of this book the message that the author wants to spread to the world and not conversion from any faith to any faith However he believes that one religion

stands way ahead of the other three because of the solid proof it possesses both historical and archeological The book is a unique amalgamation of the truth derived from these four sacred books and assembled in one place thus saving any truth seeker from the hassle of tedious cross reference into these four books He has also described in simple understandable language some of the visions in the Bible and how they are connected directly with recorded History and can therefore be considered true He has also unmasked the identity of the devil and anti christ and has explained who are the demons ghosts and spirits of the dead the Armageddon and the end of the world Finally he has challenged the reader by throwing an option at him to believe in the truth he the author has presented if the reader wishes thereby acquire peace and tranquility within himself and then be an instrument in spreading it within his circle and world at large for a better tomorrow The author pledged that part of the royalties earned for this book will be given to The Canadian Cancer Society Canada and a charity institution in India
