Nelson, 2024-04-12 Marjorie Glass is in danger She has a special gift that a nefarious organization wants to use and will do whatever it takes to possess it and her In 2039 eleven year old Marj had an accident that triggered something unimaginable within her she could suddenly communicate with her deceased great great grandfather who was once an ace pilot and war hero Now six years later in a world impacted by catastrophic global warming and increased crime Marj dreams of following in her great great grandfather s footsteps to become a pilot and hopefully beyond on a mission to Mars Unfortunately while working towards her goal she unwittingly becomes a person of interest to an unsanctioned super soldier program Marj is not keen on the idea of becoming a puppet to the program s cold hearted commander nor of his scientist s unorthodox method to augment her special ability So a very capable young Marj ends up on the run only to find much needed collaborators in unexpected places But how can she know for sure that they don t just want her for her power too Comprised of three novellas driven by emerging technology and spooky science Noetic Marj Odyssey is a young woman s adventurous and often perilous life journey While losing family and friendships to forging new ones Marj must also contend with corrupt forces on Earth and ultimately faces unexpected challenges on Mars all of which will forever change her life

*A Redemptive Theology of Art* David A. Covington, 2018-05-01 *A Redemptive Theology of Art* develops a biblical systematic and practical theology of aesthetics It begins with the roots and ontology of aesthetics vs art and the architecture and narrative of affection and passion their woes and their glory Those who would

search the Bible find little support for art as commonly conceived in the West The language of aesthetics applied to the maker s intentions the qualities of the work and the responses of the audience better addresses the questions of beauty and better suits the discussion of human actions beliefs and culture than the language of art does The Bible yields more consistent and helpful answers to questions about the broader category of aesthetics than it does to questions about art leading in turn to better questions and a more practical and theological appreciation of human affections beauty and delight and the many paths by which people including Christians pursue them Using the categories and definitions from Scripture Covington gives hope and help not only for those who labor in the arts but for everyone who cares about the passions that motivate us We were made for God s delight and though sin and bondage plague our passions God can shape our fun feelings desires affections and aversions Feelings are neither objective nor subjective they are redeemable Borrowing key ideas from other Christian writers on the arts or aesthetics Covington explores the connection between orthodox Protestant theology and a responsible respectful treatment of arts artists and all aesthetic fields of human work and speech Dictionary of Psychology Howard C.
