The 10 Days - A Revelation Sanasam Joykumar Singh, 2016-09-12 The 10 Days A Revelation is based on a true story that revolves around three government officials who were abducted and held hostage by underground outfits in Manipur. In the events that unravel during their experience as hostages in an unfamiliar place over a span of ten days lay the crux of the story. Here is a gripping tale of survival including true accounts from the people involved. This story also gives readers an insight on Manipur's cultural and historical heritage in addition to information on the flora and fauna and its rare edible vegetables growing in the hills. Buckle up and let the author leader of the three hostages walk you through this tale of grit and determination as he reminisces about his adventure. **The Commodore**, 1986 The Sons In His Eyes Garry G. G., 2018-01-22 An epic story of two brothers raised in sunny California then forced to live in the desolate wilderness by their survivalist father. The only way in or out of their residence was by boat, snowmobile or airplane. Set in the picturesque Denali Mountains outside Nenana, Alaska, this is a true story. Both brothers have struggled with loneliness, heartbreak and loss. Following years of slave labor by their father, they forget what it's like to be kids. Year after year, they toil in the frigid arctic weather, becoming survivalists themselves but with criminal tendencies. They are societal outcasts. When these two boys finally escape the mountains and begin a new life in the nearby city of Fairbanks, they're not free for long. They soon discover that their father has been brutally murdered while they're away. To date, the cold case of their father's murder is still just that, a cold case. For the rest of their lives, these brothers are chained together by the loss of their past, loss of their childhood and the loss of a parent in the most violent way: murder. **Manipur in the Shadow of AFSPA**, 2009 *Communication Arts*, 1980 **Take No Prisoners: The Desert Storm Sound System Story** Keith Robinson, 2025-07-04 On September 18, 2016, Keith Robinson, a pioneering figure in the free party scene, tragically lost his life in the River Thames. To say Keith lived an eventful life would be an understatement. In 2011, he started writing his autobiography and involvement with the Desert Storm Sound System but never completed it. It's taken this long and lots of hurdles to overcome to bring Keith's story to the world. **Take No Prisoners: The Desert Storm Sound System Story** covers his childhood and first forays into parties and brushes with the law in Glasgow, the infamous trips to Bosnia during the Balkans conflict, the anti-Criminal Justice Bill and Reclaim the Streets demos in Trafalgar Square, joining the army and serving in Afghanistan. The book also contains many photos from Keith's life, a foreword by Matthew Collin, author of *Dream Machines*, *Rave On* and *Altered State*, and an epilogue written by Ray Philp, Red Bull Music Academy.
