Subject: (*****)

Hi Noelle Adams,

I have been in CACIB project from the last two tears in DB technology. Although I have learned a lot about DB and the business domain, I want my career to keep going. I find my work has reached a saturation point and I want to learn new technologies.

Thus, I would like to request you a transfer to the pharmaceutical domain so that I can explore my skill sets. I think the Physer project which is located at Green Park Building will be a good suitable option for me.

I hope you will think about it and will take the necessary actions.

Sincerely,
Lillith Daniel
