## **The Age Of Innocence:**

**The Age of Innocence** Edith Wharton, 1996-03-01 Edith Wharton's acclaimed novel of love, duty, and half-known truths in Gilded Age New York society with a foreword by bestselling author Elif Batuman. Dutiful Newland Archer, an eligible young man from New York high society, is about to announce his engagement to May Welland, a suitable match from a good family, when May's cousin, the beautiful and exotic Countess Ellen Olenska, is introduced into their circle. The Countess brings with her an aura of European sophistication and a hint of perceived scandal having left her husband and claimed her independence. Her worldliness, disregard for society's rules, and air of unapproachability attract the sensitive Newland despite his enthusiasm about a marriage to May and the societal advantages it would bring. Almost against their will, Newland and Ellen develop a passionate bond, and a classic love triangle takes shape as the three young people find themselves drawn into a poignant and bitter conflict between love and duty. Written in 1920, Edith Wharton's Pulitzer Prize-winning novel about a time and place long gone by, 1870s New York City beautifully captures the complexities of passion, independence, and fulfillment, and how painfully hard it can be for individuals to truly see one another and their place in the world. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**The Age of Innocence** Edith Wharton, 2014-10-20 The Age of Innocence centers on an upper-class couple's impending marriage and the introduction of a woman plagued by scandal whose presence threatens their happiness. Though the novel questions the assumptions and morals of 1870s New York society, it never devolves into an outright condemnation of the institution. *The Age of Innocence* Edith Wharton, 2010-08 As the scion of one of New York's leading families, Newland Archer has been born into a life of sumptuous privilege and strict duty. Sensitive and intelligent, he respects the rigid social codes of his class and is thankful that his forthcoming marriage to May Welland is to one of his own kind. But the arrival of the Countess Olenska, a free spirit who breathes clouds of European sophistication, makes him question the path on which his upbringing has set him. As his fascination with her grows, he discovers how difficult it is to escape the bounds of the society that has shaped him. Wharton's Pulitzer Prize-winning novel is at once a poignant story of frustrated love and an extraordinarily vivid, delightfully satirical portrait of a vanished world. Publisher's website
