The Art Of Getting Even English Edition:

The Exquisite Art of Getting Even Alexander McCall Smith, 2022-08-04 The characters in this delicious book are pushed to the point of no return and seek retribution But how we get even is not always the best road to redemption On the island of Mull it takes an incomer to make the locals realise that they need to take matters into their own hands to maintain the community's reputation In *The Principles of Soap* the value of friendship overcomes adversity and opportunistic nepotism In suburban Edinburgh opposing neighbours find out the hard way that the best method of dealing with a canine disturbance is not to bury one's head in the sand And in the final tale we meet an author on the brink of public ruin who sees the error of his ways after an act of kindness saves the day These four tales show that the exquisite art of getting even is a skill that sees kindness win over malice Tantalising and amusing these stories show off a darker side but carry with them the author's trademark warmth and humour
